

Cowlitz Tribal Cases Assigned to New Tribal Team in Vancouver

On August 12, 2013, the Olympia FO transferred their Cowlitz caseload (involving NCPs who are members or employees of the Cowlitz Tribe) to the Vancouver FO. Cowlitz cases are now managed by SEO3 Sol Tripp. SEO 4 Donna Collins serves as the Vancouver FO lead Tribal Liaison. Because the Cowlitz Tribe is much closer to Vancouver FO, this change will provide increased opportunities for outreach, government-to-government coordination, and improved child support services to the Cowlitz Tribe, and to Cowlitz members and employees. The new Tribal Team in Vancouver will also serve as a resource to staff regarding tribal child support matters.
