3. Purpose

This Agreement is necessary in order for the DSHS Division of Child Support (DCS) to provide federal offset certification action on cases involving Tribal Child Support programs.

4. Statement of Work

a. CASE REQUIREMENTS

The Tribe will ensure the case meets the federal requirements listed in 45 CFR 303.72(a) before sending DCS a referral for federal offset certification. The requirements are currently as follows:

- (1) The debt is based on an established court or administrative order.
- (2) The NCP's name and social security number (SSN) are correct.
- (3) For a nonassistance case, the Tribe will:
 - (a) Ensure that the debt is at least \$500
 - (b) Provide a current address for a nonassistance CP.
- (4) For a TANF case, the Tribe will ensure that the debt is:
 - (a) At least \$150
 - (b) Past due for at least thirty (30) days.
- (5) Spousal support may be certified if child support and spousal support are payable under the same order and the minor child is living with the CP.

b. REFERRAL PROCESS

- (1) The Tribal IV-D Program will request federal offset services by sending a referral to the local DCS field office for each NCP case they want certified. The referral will include, but is not limited to:
 - (a) Child Support Enforcement Transmittal #1 – Initial Request
 - (b) Relevant court orders
 - (c) Debt calculation
- (2) The Tribe will indicate on the referral that they are requesting Federal Tax Offset Withholding.

c. PAYMENT OF ADMINISTRATIVE COSTS

- (1) Every 3 months, the ESA Fiscal Office will send an invoice listing the previous quarter's administrative costs associated with the Tribe's referred cases.

- (2) Within 30 days of the date of the invoice, the Tribe will pay for the administrative costs that the federal government charges each State for federal offset. Subject to any future changes, these federal charges are currently as follows:
 - (a) \$14.65 each time federal offset funds are intercepted
 - (b) \$15.00 each time administrative offset funds are intercepted
- (3) The Tribe shall make checks payable to "DSHS/DCS", reference the "Tribe Name / DCS Federal Offset Agreement" on the check, and remit payment to:

ESA/OS Fiscal/DCS Accounting Unit
PO Box 45445
Olympia WA 98504-5445

Exception: DCS will not bill the Tribe for these costs if DCS, on its own behalf, also certified for federal offset another debt for the same NCP in the same tax year.

d. DISTRIBUTION OF FEDERAL OFFSET FUNDS

- (1) DCS will hold potentially suspicious intercept payments until those payments have been verified as belonging to the NCP.
- (2) DCS will distribute federal income tax refunds owing to the Tribe within two (2) days of receipt if one of the following is true:
 - (a) The NCP did not file a joint return.
 - (b) The NCP filed a joint return, and an injured spouse allocation request was filed with the original income tax return.
- (3) If the NCP filed a joint return on a nonassistance case, but no injured spouse claim was filed with the original income tax return:
 - (a) DCS will distribute up to 50% of the income tax funds owing to the Tribe within 2 days of receipt, and the remaining funds within 120 days of receipt (unless an injured spouse allocation request is filed).
 - i. If the CP claims that the 120 day delay of the tax refund causes undue hardship, DCS will forward the request to the Tribe. The Tribe decides if and how to grant relief regarding the portion of the funds being held on the Tribe's behalf.
 - ii. If the Tribe decides to send any funds to the CP before the 120 days pass, the Tribe must notify the DCS Tribal Liaison in writing of the decision. DCS Headquarters will then send the funds to the Tribe for distribution to the CP.
 - (b) If DCS distributes funds to the Tribe, and an injured spouse allocation request is later filed and DCS must return the intercept to the Treasury, the Tribe agrees to repay the funds. (The majority of injured spouse allocation requests are filed within 120 days of DCS receiving the funds; however the NCP's spouse has 6 years to file an allocation request).
 - i. DCS will work with the Tribe to establish a payment plan for the repayment of these funds to DCS.
 - ii. The Tribe will repay DCS within 90 days of being notified DCS returned an intercept to the Treasury.

- (c) DCS does not automatically hold in suspense any portion of the IRS offset funds on a state TANF case.
- (4) The Tribe agrees to repay DCS if a portion of the funds distributed to the Tribe must be returned due to the wrong individual being certified, debt inaccuracy (this does **not** apply if DCS is responsible for the debt inaccuracy), or the payment received was from a fraudulent tax return.
 - (a) DCS will work with the Tribe to establish a payment plan for the repayment of these funds to DCS.
 - (b) The Tribe will repay DCS within 90 days of being notified DCS returned an intercept to the Treasury.
- (5) The Tribe agrees to return to DCS any portion of the funds that result in an overpayment due to NCP payments following certification.

Exception: If the Tribe verifies with DCS that the NCP does not have any other debts certified for federal offset, then the Tribe can refund the payment directly to the NCP.

e. ADMINISTRATIVE REVIEW ON CASES REFERRED BY A TRIBAL IV-D PROGRAM

If the NCP requests an administrative review because the NCP contests certification of a debt to the Internal Revenue Service (IRS):

- (1) DCS will send a copy of the administrative review request to the Tribe.
- (2) If there is **only** tribal interest in the certified funds, the Tribe will perform the administrative review process. The Tribe will notify DCS in writing of the administrative review decision which will allow the Tribal Liaison to take any necessary action.
- (3) In cases where there is a joint tribal and DCS interest in the certified funds, DCS and the Tribe will work together to provide the administrative review:
 - (a) DCS will make the final determination on the portion of the debt it certified on its own behalf.
 - (b) The Tribe makes the final determination on any debt certified on its behalf, and provides DCS with written recommendations instructing DCS if and how to provide relief to the NCP with regard to any debt certified on the tribe's behalf.

Note: The NCP may choose to affirmatively request that the order state or order tribe perform the administrative review if the IV-D Tribe did not issue the order. If the tribe who certified the debt does not have a IV-D program with an established administrative review process, then either DCS or the state or tribe (which issued the order on which certification is based), must perform the review.

f. CASE CLOSURE

DCS will close the case after receiving from the Tribe a Child Support Enforcement Transmittal #2 form, requesting closure.

g. DESCRIPTION OF THE DATA

- (1) At the request of the Tribal IV-D program signing this agreement, DCS shall release the following information related to a case certified for federal offset when necessary for processing and distributing federal offset funds:
