

INTERGOVERNMENTAL AGREEMENT
TEMPORARY ASSISTANCE FOR NEEDY FAMILIES (TANF)
BETWEEN
THE LOWER ELWHA KLALLAM TRIBE AND THE
WASHINGTON STATE DEPARTMENT OF
SOCIAL AND HEALTH SERVICES

1. AUTHORITY

This agreement is entered into between the Lower Elwha Klallam Tribe (hereinafter the Tribe) and the Washington State Department of Social and Health Services (hereinafter the Department), pursuant to their respective governmental authorities. The Tribe's Business Committee is authorized to enter into this Agreement under the Tribe's Constitution. The Interlocal Cooperation Act, RCW 39.34, permits any State agency to enter into a cooperative agreement with an Indian tribe for their mutual advantage and cooperation. RCW 74.08A.040 requires the Department to coordinate and cooperate with eligible Indian tribes that elect to operate a Tribal Temporary Assistance for Needy Families (TANF) Program as provided for in Public Law 104-193 and 109-171 and to transfer a fair and equitable share of Maintenance of Effort funds (MOE) to the eligible Indian tribe. The Department and the Tribe desire to enter into this Agreement pursuant to their respective authorities, which include financial assistance and employment and training services to eligible, needy families in order to fulfill the purpose set out herein. It is the intention of the parties that this Agreement be liberally construed to effectuate its intent and purposes.

The Department and the Tribe each have jurisdiction over domestic relations, including providing comprehensive welfare reform services and additional supportive services.

The Department and the Tribe recognize that the Tribe has a compelling interest as a sovereign Tribe in promoting and maintaining the governmental and cultural integrity of the Tribe. The parties recognize their respective sovereignty and enter into this Agreement consistent with the government-to-government relationships affirmed by the Centennial Accord of 1989 and RCW 43.376.

Section 412 of the Social Security Act requires payment of federal TANF funds to Indian tribes with approved TANF plans. The Tribe will provide services under its approved TANF plan in a manner that best serves the needs of its service area and population.

2. PURPOSE

It is the intention of the parties that this Agreement be liberally construed to effectuate its intent and purposes. The Department and the Tribe enter into this Agreement to transfer a fair and equitable amount of state maintenance of effort funds (MOE funds) to the Tribe and to work in partnership to coordinate state and tribal benefits and services. This Agreement is consistent with, and is intended to further, the declared national policy of helping needy families achieve self-sufficiency. At the same time, this

Agreement also protects the best interest of families and children by providing an effective and efficient way by which these families and children receive resources available to both the Department and the Tribe.

This agreement honors the Tribe's inherent right to design and operate culturally relevant and appropriate programs on behalf of the population served.

TANF programs help needy families achieve self-sufficiency. Families will be given access and input into all programs and services needed to reach the goal of self-sufficiency. During the transition from TANF to work, the personal dignity, pride and cultural identity of recipients will be protected through their opportunity to make life-changing choices.

3. DEFINITIONS

The Department and the Tribe agree for the purposes of this Agreement to the following definitions:

1. Federal and State MOE Requirements (MOE Requirement): All federal and state laws and regulations that pertain to a State's ability to classify funds as Maintenance of Effort (MOE). These requirements include, but are not limited to: 42 USC 601(a), 45 CFR 260.20, 42 USC 609(a)(7), 45 CFR 263, RCW 74.08A.040, WAC 388-315, OMB Circulars A-87 and A-133, and 45 CFR 92.
2. IGA: Intergovernmental Agreement.
3. Retrocession: The process by which an Indian tribe or a state voluntarily terminates and cedes back (or returns) a TANF program to the other, consistent with federal regulations. Retrocession includes the voluntary relinquishment of the authority to obligate or spend previously awarded state and federal funds before that authority otherwise expires.
4. State Maintenance of Effort Funds (MOE): Per WAC 388-315-1050, state maintenance of effort is a federal TANF requirement that a state shall spend at least a specified amount, as required by 45 CFR 263.1, of state funds for benefits and services for members of needy families each year. A broad, but not unlimited, array of benefits and services for low-income families with children can count toward satisfying a state's maintenance of effort obligation
5. Temporary Assistance for Needy Families (TANF): A program authorized by the 1996 Personal Responsibility and Work Opportunity Reconciliation Act (PRWORA) (Pub. L. 104-193), reauthorized under the Deficit Reduction Act of 2005 (DRA) (Pub. L. 109-171), and codified in Title IV-A of the Social Security Act, operated by states and Indian tribes to provide financial assistance and employment and training services to eligible, needy families.

6. TFAP (Tribal Family Assistance Plan): The plan for implementation of the Tribal TANF program under Section 412(b) of the Social Security Act.
7. Tribal TANF Program: A TANF program developed by an eligible Indian tribe, or consortium of tribes, and approved by the Administration for Children and Families under Section 412 of the Social Security Act.
8. WorkFirst: The state's welfare reform program which provides support services and activities to TANF recipients and low-income families so they can find jobs, keep jobs, and become self-sufficient.
9. Annual Report A report consisting of all information, including operational and financial information, required by federal and/or state law for the contracted services and funds included in this Agreement or in subsequent amendments to this Agreement.
10. Single Point of Contact: The DSHS office designated by the Department and the tribal office designated by the Tribe to facilitate the flow of operational information, about this Agreement, between the Tribe and the Department.

4. THE DEPARTMENT AND THE TRIBE AGREE TO THE FOLLOWING

The Department and the Tribe engaged in negotiations to determine the:

1. Amount of State MOE funds and other monetary and non-monetary enhancement that would be provided by the Department to assist the Tribe's TANF program.
2. Requirements for the use and reporting on state MOE funds, terms of a data share agreement, and measures of success for the Tribe's TANF program.
3. IGA Amendment Form (See attached and incorporated Exhibit E): A tribe must provide detailed information to the DSHS Economic Services Administration (ESA) for each statutory or regulatory waiver it seeks. This includes the exact citation, the reason for the waiver request, and a detailed description of the tribe's proposed alternative to the statute or regulation.

a. Federal Waivers

DSHS will support a tribe in its efforts to petition the federal government to waive program requirements a tribe finds burdensome, unless DSHS finds that such a waiver is in direct conflict with federal statutes or inconsistent with the purposes of the program or the statute from which the program derives its authority. See 45 CFR 95, Subtitle A, Subchapter A and 25 CFR 900 Chapter V, Subpart K, Waiver Procedures for guidance.

b. State Amendments

DSHS will support a tribe in its efforts to petition the state legislature to amend statutory provisions that a tribe finds burdensome unless DSHS finds that the

provisions are inconsistent with the purposes of the program, or in conflict with program goals.

c. State Waivers

DSHS will support a tribe in its efforts to obtain waivers to departmental regulations in accordance with WAC 388-440-0001. See Exhibit E.

- i. To petition for a regulatory waiver, the Tribe will submit a written waiver request to the DSHS Economic Services Administration (ESA). The request must identify the regulation to be waived and the basis for the request. The request must explain the intended effect of the waiver, the impact upon the Tribe if the waiver is not granted, and the specific programs(s) to which the waiver will apply. It must also describe the policy, if any, the Tribe is adopting to replace the specific regulation to be waived.
- ii. The Secretary of DSHS or designee will make the final decision on all requests for exceptions to rules within ninety (90) days after the Secretary receives a written waiver request. The Secretary's decision will be in writing. Appeals may be conducted through the dispute mechanism in effect between the Tribe and DSHS.

5. TFAP AND SERVICE POPULATION

The Tribe has a United States Health and Human Services approved Tribal Family

Assistance Plan (TFAP), which is incorporated by reference. The TFAP is effective from October 1, 2022 through September 30, 2025.

There have been no changes in the Tribe's service area and the scope of the TANF plan will not be substantially changed in its TFAP. The effective date of the Tribe's TFAP is October 1, 2022. Consistent with its federally approved TFAP, the Tribe agrees to continue to serve all eligible, enrolled members of a federally-recognized American Indian Tribe or Alaskan Native Village (AI/AN) living within the Tribe's service area. The TFAP defines the Tribe's service area as within the boundary of the Hoko River to the west, the Straits of Juan de Fuca to the north, McDonald Creek to the east, and the Olympic National Park and/or Forest boundary to the south, which is inclusive of the Tribe's ceded area.

The Department and the Tribe determined that there were 120 tribal families receiving public assistance benefits in 1994, based on the Tribe's identified service population as identified in their TFAP.

The Tribe has received federal approval of their TFAP indicating that they have complied with the requirements of the federal policy (TANF-ACF-PI-2018-02, December 21, 2018 Program Instruction) relating to serving Indian families on or near the reservation service areas, including the policy provisions relating to notification of other tribes with overlapping near reservation areas. If there is a change to the Tribe's service population under their federal TFAP and associated federal funding, the Tribe will notify the Department. The Department will adjust the State funds and the Intergovernmental Agreement with the Tribe accordingly to reflect these changes.

6. TRANSFER OF STATE FUNDING

1. For purposes of this Agreement, the state fiscal year (SFY) is July 1 to June 30.
2. Subject to availability of state MOE funds, and the provision of subsection 6 below, the Department agrees to transfer to the Tribe for the period (October 1, 2022 – September 30, 2025), up to the amount of \$1,857,246 in State MOE funds. Payments will be made in accordance with the State MOE Payment Schedule, Exhibit "B", attached hereto and incorporated herein.
3. The Department agrees to pay the annual MOE amounts to the Tribe in State Fiscal Year lump sum annual payments, after the receipt and acceptance by the Department of the completed A 19-1A Invoice Voucher and receipt and acceptance of the reports required under Section 8 of the IGA. Payment shall be considered timely if made by the Department within thirty (30) calendar days after receipt of properly completed A 19-1A and reports.
4. The Department agrees to review submitted reports within twenty (20) days and immediately contact the Tribe regarding any missing information or documentation.

5. For each SFY's payment, the Tribe may submit an A 19-1A invoice voucher and required reports as early as July 1 of the SFY for which the Tribe is requesting payment. However, each annual A 19-1A must be submitted to the State TANF point of contact no later than thirty days after the end of the requested reimbursement state fiscal year. Annual A 19-1As submitted to the Department after these dates shall not be paid, unless authorized by the Secretary of the Department.
6. For each state fiscal year (SFY), if the Tribe does not spend MOE funds in an amount equal to the MOE funding awarded under this IGA for this annual period, the difference between the amount awarded and the amount spent will be subtracted from the MOE funding awarded to the Tribe for the next SFY.
7. If there are any legislative changes impacting either Party, each reserves the right to renegotiate this Agreement.
8. Payments are subject to availability of state legislatively appropriated funds.
9. In addition to formal Tribal consultation, the Department will notify the Tribe of any projected or anticipated budget increase or decrease that affects any program or service contained in its TFAP as soon as they are informed of the projected or anticipated change. This includes one-time surplus funding that could be obligated for unmet needs in services and program development.
10. The Tribe will not charge the Department for services if the Tribe has charged or will charge the State of Washington or any other party, under any other contract or agreement, for the same services.

7. EXPENDITURE OF STATE MOE FUNDS

The Tribe agrees to spend all funds received under this Agreement consistent with federal and state MOE requirements. The Tribe shall comply with all applicable federal and state laws and regulations and OMB circulars governing the use of state MOE funds. MOE funds must be spent on eligible families and for the four (4) allowable TANF purposes. The four (4) TANF purposes are listed in law at 42 USC 601(a) and regulation at 45 CFR 260.20. The law and regulations defining federal and state MOE requirements are 42 USC Section 609(a)(7), 45 CFR 263, RCW 74.08A.040, and WAC 388-315. In addition to following these provisions, the Tribe must also comply with the federal Office of Management and Budget (OMB) Circulars A-87, A-133, and 45 CFR 92.

8. REPORTING ON THE USE OF STATE MOE FUNDS AND CASELOAD

The Tribe agrees to provide reports regarding its expenditure of State MOE funds to the Department, which are mandatory to meet State reporting requirements regarding the use of State MOE funds, as outlined and incorporated by reference in the November 27, 2000 TANF Policy Announcement (TANF-ACF-PA-2000-04) issued by the United States HHS, WAC 388-315-3000, and incorporated by reference.

To report the State MOE funds expended and the number of families served, as well as performance measure data and fiscal data, the Tribe will complete and submit quarterly reports to the Department by the following dates:

1. Caseload & Expenditure Report (Exhibit C, Page 1) and Performance Report (Exhibit C, Page 2). Must be submitted to the State TANF contact no later than forty days from the end of the quarter. Due dates: November 9th, February 9th, May 10th, and August 9th.
2. The Fiscal Report (Exhibit D): The Tribe will report on only State MOE funds utilizing the ACF-196T Tribal TANF Financial Report Form. This form is due at the same time as required by ACF: within 45 days after the end of each quarter of the federal fiscal year. Due dates: November 14th, February 14th, and May 15th.

Any funds received by the Tribe under this Agreement shall remain subject to the reporting requirements of this section at all times, notwithstanding the termination or conclusion of the funding period provided under this Agreement.

To the extent that the Tribe retains and spends any funds subsequent to the termination or conclusion of the funding period under this Agreement, the Tribe shall submit all required reports no later than forty days after the end of the calendar quarter in which State MOE funds are expended.

9. INCORPORATION OF GENERAL TERMS AND CONDITIONS

This Agreement incorporates the current and future Indian Nation and DSHS Agreement on General Terms and Conditions entered into by the Department and the Tribe by reference. To the extent that this Agreement may conflict with the terms contained within the Indian Nation and DSHS Agreement on General Terms and Conditions, the terms contained within this Agreement control.

10. COMPLIANCE AND AUDITS

The Tribe shall comply with all applicable federal and state laws and regulations governing the use of federal and state MOE funds and document and report that MOE funds are spent appropriately. The Tribe shall provide TANF services as described in its federally approved TFAP.

The Department and the Tribe agree the Tribe will provide a copy of the Tribal TANF Program's section of the most recent federally-required A-133 Single Audit Report to the Department, within thirty calendar days of the Tribe's submission of the report to the federal government.

11. SERVICES PROVIDED UNDER THE PLAN (TFAP)

Consistent with its federally approved TFAP, the Tribe shall make the final determination of tribal membership of families applying for Tribal TANF services. The Tribe shall also determine whether such families meet the eligibility criteria for Tribal TANF services.

Included in the TFAP, the Tribe shall provide the Department with a list and description of the current eligibility criteria for Tribal TANF services. If changes or revisions of such eligibility occur, the Tribe shall promptly inform the Department of these changes or revisions.

If the Tribe requests an amendment to its TFAP which would have a significant financial impact on the Department, the Tribe shall also notify the Department of such request and provide a copy of the proposed amendment. The Department and the Tribe shall negotiate and reach agreement regarding any amendments to the TFAP, which would have an impact on this Agreement before the Tribe implements the amendment. The Tribe agrees to give the Department notice when such amendments are approved.

12. IMPLEMENTATION AGREEMENTS

The Department and the Tribe shall update, as applicable, an Operating Agreement describing the working relationship between the Department's local Region and the Tribe, including procedures for the effective transfer of cases and coordination of services that shall be performed by each party. This Operating Agreement shall also include provisions to ensure that a family receiving assistance under the Tribe's TFAP may not receive assistance from other state or Tribal TANF programs.

The Department shall work in cooperation with the Tribe to provide Tribal TANF recipients with access to Basic Food and Medical Assistance.

As applicable, the Tribe shall work with the Division of Child Support to address child support.

As a condition of receiving State MOE funds under this Agreement, and to provide for the transfer of information on Tribal TANF cases and for the ongoing coordination of services for these families, the Department and the Tribe will ensure that a current data share agreement is in place.

13. LIABILITY OF TRIBE FOR FAILURE TO COMPLY WITH FEDERAL AND STATE MOE REQUIREMENTS

Where the Tribe expends funds in a manner inconsistent with federal and state MOE requirements or cannot demonstrate that it spent funds consistent with State MOE requirements, the Tribe shall be liable to the Department in an amount equal to such funds as were improperly expended or are unaccounted for.

14. FUNDING REMEDIES

The Department may withhold funding under this Agreement for any of the following reasons:

1. The Tribe does not provide the Department with reports required under this Agreement in a timely fashion.

2. Reports provided by the Tribe lack required information.
3. The Department has a credible basis to believe that the Tribe is spending or has spent funds provided under this Agreement inconsistent with federal and state MOE requirements. Prior to withholding funding, the Department shall provide the Tribe with forty-five days advance written notice.
4. The Tribe is unable to timely demonstrate that it spent funds under this agreement consistent with federal and state MOE requirements.
5. An A-133 audit or federal site visit concludes that the Tribe is either misusing federal funds, cannot properly document that expenditures were proper, or is out of compliance with federal TANF requirements.
6. The Tribe otherwise does not comply with the terms and conditions of this Agreement.

The Department must first notify the Tribe in writing of the compliance issue and give the Tribe ninety days in which to cure the noncompliance.

In the event that the dispute is not resolved, the Tribe may utilize the dispute resolution process described in Section 15. Action taken under this section shall be suspended pending the outcome of any dispute resolution process.

15. DISPUTE RESOLUTION

The Department and the Tribe agree to resolve disputes that arise as follows:

1. The Department and the Tribe shall first attempt to resolve the matter through informal discussions and negotiations.
2. If informal discussions prove unsuccessful, the Department and the Tribe agree to refer the matter to non-binding mediation. Either party may request that a matter be submitted to a mediator to assist in resolving a dispute. The mediator shall be jointly selected and shall be approved by the Department and the Tribe. The cost shall be born equally by the Department and the Tribe.
3. If mediation does not resolve the dispute, then the parties agree to submit their dispute to arbitration before a Dispute Resolution Board. The Dispute Resolution Board shall consist of three individuals, one selected by the Department, one selected by the Tribe and a third party to be chosen by the first two. The Dispute Resolution Board shall review all issues, concerns and conflicts with a goal to determine acceptable solutions for both parties. The decisions of the Dispute Resolution Board shall be final and binding on both parties.

4. Nothing in this section is, or shall be deemed to be, a waiver of the Tribe's sovereignty immunity to an action in any administrative or legal forum or to the payment to the state of any funds owned, held, or administered by the Tribe, other than State MOE funds transferred under this agreement.

16. AMENDMENT, WAIVER AND TERMINATION

This Agreement or any provision may be altered, amended, or waived by written agreement signed by both parties. The parties may use the amendment form attached as Exhibit "E".

The funding under this Agreement is for the period October 1, 2022 to September 30, 2025, but is subject to any additional restrictions, limitations, or conditions imposed by state or federal laws or regulations during this time. Payments are subject to the availability of adequate federal and state MOE funds.

If there are changes to the federal or state TANF legislation, regulation, or funding structure that impacts either party, each reserves the right to terminate the funding and renegotiate this Agreement. The Department agrees to notify the Tribe in writing as early as possible of any potential funding or other issues that may require termination of this Agreement.

Either party may terminate the Agreement by giving the other party forty-five calendar days' written notice.

Termination under this Agreement is the termination of funding, which means the Department's obligation to provide future payments of state MOE funds under Exhibit B ends, as does the Tribe's obligation to provide services with the future MOE funds.

This Agreement shall remain enforceable until the last A-133 audit, of the funding provided under this Agreement either has no findings or all findings are satisfactorily resolved.

17. RETROCESSION

If the Tribe chooses to retrocede its Tribal TANF program prior to the end of its three-year plan, it agrees to provide the Department with notification at the same time that it notifies the Secretary of HHS. All future scheduled State funded payments shall be discontinued and any State MOE funds not expended or obligated on Tribal TANF activities as of the retrocession date shall be returned to the Department within forty-five calendar days of the retrocession date.

18. PERIOD OF FUNDING AND ENFORCEMENT

The funding period under this Agreement shall be from October 1, 2022 to September 30, 2025 unless otherwise extended or terminated under this Agreement.

19. EXECUTION
