This Contract between the State of Washington Department of Social and Health Services (DSHS) and the Contractor is hereby amended as follows:

1. **Purpose.** The Purpose of this Amendment is to revise the Statement of Work.

**The Statement of Work is amended as follows:**

**2. Section 4., Statement of Work, subsection d., Distribution of Federal Offset Funds is amended as follows:**

a. **Subsection (3), (a), i., and ii., are revised as follows (revisions in italics):**

- (1) DCS will distribute up to 50% of the income tax funds owing to the Tribe within 2 days of receipt, and the remaining funds within **180** days of receipt (unless an injured spouse allocation request is filed).
  - (a) If the CP claims that the **180** day delay of the tax refund causes undue hardship, DCS will forward the request to the Tribe. The Tribe decides if and how to grant relief regarding the portion of the funds being held on the Tribe's behalf.
  - (b) If the Tribe decides to send any funds to the CP before the **180** days pass, the Tribe must notify the DCS Tribal Liaison in writing of the decision. DCS Headquarters will then send the funds to the Tribe for distribution to the CP.

b. **Subsection (3), (b), is amended as follows (revisions in italics):**

- (1) If DCS distributes funds to the Tribe, and an injured spouse allocation request is later filed and DCS must return the intercept to the Treasury, the Tribe agrees to repay the funds. (The majority of injured spouse allocation requests are filed within **180** days of DCS receiving the funds; however the NCP's spouse has 6 years to file an allocation request).

All other terms and conditions of this Contract remain in full force and effect.
