

STATE OF HAWAII FAMILY COURT OF THE _____ CIRCUIT	<b>EXCEPTIONAL CIRCUMSTANCES FORM</b> <b>to be attached to</b> <b>CHILD SUPPORT GUIDELINES WORKSHEET (CSGW)</b>	CASE NUMBER: FC-__ No. _____
---	---	---------------------------------

*This form requires information from your completed CSGW, and you must mark it as an attachment at the bottom of the CSGW.*

Payor Parent: \_\_\_\_\_ No. of children in this case: \_\_\_\_\_ CS amount from Line 14: \_\_\_\_\_

**The court should deviate from the Total Monthly Child Support Obligation as calculated on Line 14 of the Child Support Guidelines Worksheet (CSGW) because of the following exceptional circumstance(s):**

**EXCEPTION REQUESTED BECAUSE CALCULATED CHILD SUPPORT EXCEEDS 70% OF NET INCOME**

Payor's total monthly child support obligation as calculated on Line 14 of the CSGW (\_\_\_\_\_) exceeds the minimum support amount of \$70 per child and is greater than 70% of Payor's net income from the Table of Incomes (\_\_\_\_\_).

I request a finding that an exceptional circumstance exists and that Payor's total monthly child support obligation on Line 14 of the CSGW be limited to either 70% of Payor's net income or \$70 per child, whichever is greater. Using the higher of the two numbers the total support for the \_\_\_ children in this case would be \_\_\_\_\_ per month. After deductions for monthly child care expenses listed on Line 15 (\_\_\_\_\_) and health insurance costs listed on Line 16 (\_\_\_\_\_), which are paid directly by Payor, the remaining child support obligation of Payor will be \_\_\_\_\_ per month

**EXCEPTION REQUESTED BECAUSE PAYOR SUPPORTS ADDITIONAL LEGAL CHILD(REN)**

A) Payor's total monthly child support obligation as calculated on Line 14 of the CSGW (\_\_\_\_\_), divided by the number of children to be supported on Line 4 of the CSGW (\_\_\_), equals \_\_\_\_\_ per child.

Is this amount per child greater than \$70 per child (the minimum support amount)? Yes \_\_\_ No \_\_\_

B) Payor supports \_\_\_ additional legal child(ren). If all of Payor's Net Income on Line 2 of the CSGW (\_\_\_\_\_) is divided by the total number of children Payor is required to support (\_\_\_), each child would receive \_\_\_\_\_.

Is this amount per child less than the amount per child calculated on Line (A)? Yes \_\_\_ No \_\_\_

If the answers to both questions above is 'Yes,' you may request that the Court make the following finding:

Due to Payor's obligation to support (and Payor's actual support of) additional children, I request a finding that an exceptional circumstance exists and that the support per child in this case be limited to the greater of the amount per child shown in Line (B) above, \_\_\_\_\_, or the State minimum per child of \$70. Using the higher of the two numbers the total support for the \_\_\_ children in this case would be \_\_\_\_\_ per month.

After deductions for monthly child care expense listed on Line 15 (\_\_\_\_\_) and health insurance/cash medical cost listed on Line 16 (\_\_\_\_\_), which are paid directly by Payor, the remaining child support obligation of Payor will be \_\_\_\_\_ per month.

**EXCEPTION REQUESTED DUE TO OTHER CIRCUMSTANCES**

**SUMMARY OF CHILD SUPPORT PAYMENTS (IF EXCEPTION IS GRANTED)**

\_\_\_\_ Mother \_\_\_\_ Father pays monthly child support of \_\_\_\_\_ to other parent, \_\_\_\_\_ per child per mo.  
 \_\_\_\_ Mother \_\_\_\_ Father pays health insurance/cash medical. \_\_\_\_ Mother \_\_\_\_ Father pays child care expense.
