Dear David,

As your membership on the Child Support Schedule Workgroup comes to an end, I would like to thank and commend you for your dedicated service.

As a result of this Workgroup's efforts, the legislature passed ESHB 1794 (Chapter 84, Laws of 2009) which I signed into law, which makes the first substantive changes to the Washington State Child Support Schedule in almost twenty years. This bill was based on the recommendations contained in the Workgroup Report which was delivered to the Legislature on December 30, 2008. Your work was used by the legislature and made a difference in shaping public policy.

Boards and commissions are designed to give citizens a voice in their government and provide a means of influencing decisions that shape the quality of life for the residents of our state. Participation on a board or commission is an effective way for individuals to help make government more responsive to its citizens. I truly appreciate the considerable time and energy you devoted to your work and hope that it has been a rewarding experience for you.

Again, thank you for your service to the citizens of our state and best wishes in your future endeavors.

Sincerely,

A handwritten signature in blue ink that reads "Christine O. Gregoire".
