Long Term Care section of EAZ. New clarifying section called nursing home and alien emergent medical (AEM).

<http://www.dshs.wa.gov/manuals/eaz/sections/LongTermCare/AEMnursinghome.shtml>

This new section is additional information regarding nursing home and AEM.

Currently there is instruction in the AEM chapter, clarifying information called nursing home prior authorization.

http://www.dshs.wa.gov/manuals/eaz/sections/MedicalAssistance/EA_AlienMedical.shtml

The additional information in the long term care section describes considering the possibility of general assistance unemployable (GAU) and what happens when AEM is denied for a resident in a nursing home.

The additional information in the long term care section gives additional procedures for AEM in a nursing home used by HCS.
