Clarifying information on when indigence exemptions to sponsor deeming are to be reported to the US Attorney General.

**Summary**

WAC 388-450-0156 is currently ambiguous about when indigence exemptions are to be reported. Pending a comprehensive revision of the Income Allocation and Deeming Chapter, we are clarifying the reporting of indigence exemptions in Clarifying Information and Worker Responsibilities. These indigence exemptions to sponsor deeming are only to be reported for recipients of federal benefits.
