New chart: Medicaid Coverage Group Chart. Institutional and Non institutional programs.

<http://www.dshs.wa.gov/manuals/eaz/sections/LongTermCare/LTCmedicalchart.shtml>

This chart is an aid that divides medical coverage groups into categories, gives the scope of medical coverage and indicates what programs are institutional.

The K, C, and L track medical coverage groups in ACES are the institutional medical programs.

The K track institutional for families and children are based on TANF related rule.

The C track for DDD, HCS CN Waivers and Hospice are based on SSI related rule.

The L track for individuals residing in a medical institution 30 days or more are based on SSI related rule.

All other medical programs are considered non institutional.

Chart is used as an aid for Medicaid Personal Care (MPC). Financial eligibility is based on eligibility for a non institutional CN Medical program.
