

Office of Refugee and Immigrant Assistance

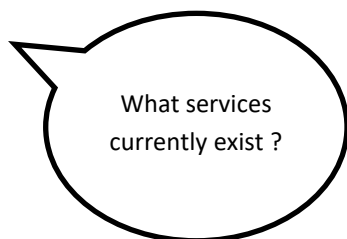

Invites you to join our

Community Listening Sessions

Washington's Office of Refugee and Immigrant Assistance is hosting listening sessions to help inform the development of a new pilot Refugee Youth Mentoring Program and Services for Older Refugees Program.

We invite community members and organizations that serve immigrants and refugees to join us at one of the events scheduled below. We will be asking key questions which will provide a foundation for the development of these programs.

We Want to Know

[Join via web](#)

Washington has a long legacy of welcoming people who are refugees and immigrants. The Department of Social and Health Services (DSHS) Economic Services Administration's (ESA) **Office of Refugee & Immigrant Assistance (ORIA)** invests resources in local community partners to provide programs and services that make it possible for refugees and immigrants to realize their full potential and contribute to our thriving, vibrant communities in Washington.
