

Office of Refugee & Immigrant Assistance

Refugee Health Screening & Refugee Health Promotion Project

Fiscal Year 2019

ORIA Health Program Manager: Cathy Vue | 206.568.5597 | vuec@dshs.wa.gov

The Refugee Health Screening program partners with local health jurisdictions, health care providers, and refugee resettlement agencies to provide a comprehensive health screening exam to all new refugees. The Refugee Health Promotion Program provides services for refugees with complex medical conditions.
