REMOVE

INSERT

New instructions under WAC 388-473-0040

Summary

Clarifying information was added and instructions are clarified. Animals must be trained but proof of training can not be requested. If the need for the animal is questionable, a statement from the treating physician or psychologist for example can be requested.

If not deliverable, return to: Distribution Center, MS: 45816
For distribution changes, notify: Manual Distribution: MS 45816 or call 360-586-8439
