

## Defining 3rd Trimester During Pregnancy WFHB 5.1.9

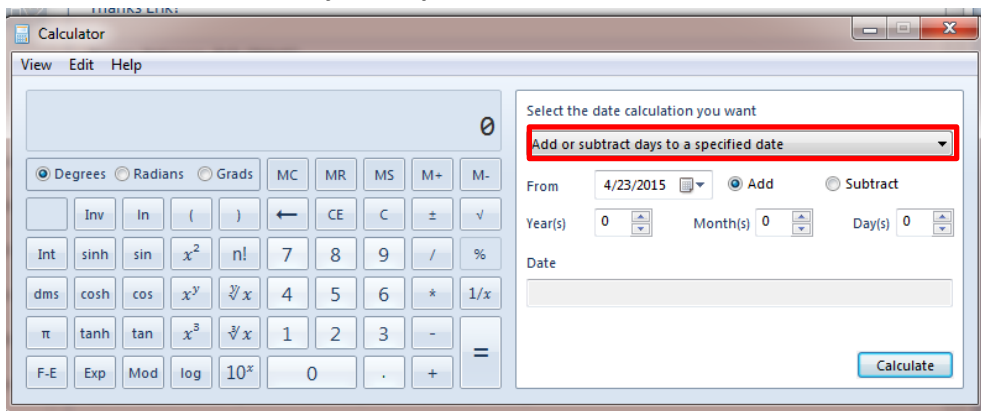

How do I determine the 90<sup>th</sup> day?

Example: Mom provides medical evidence that her EDD is 07/14/2015.

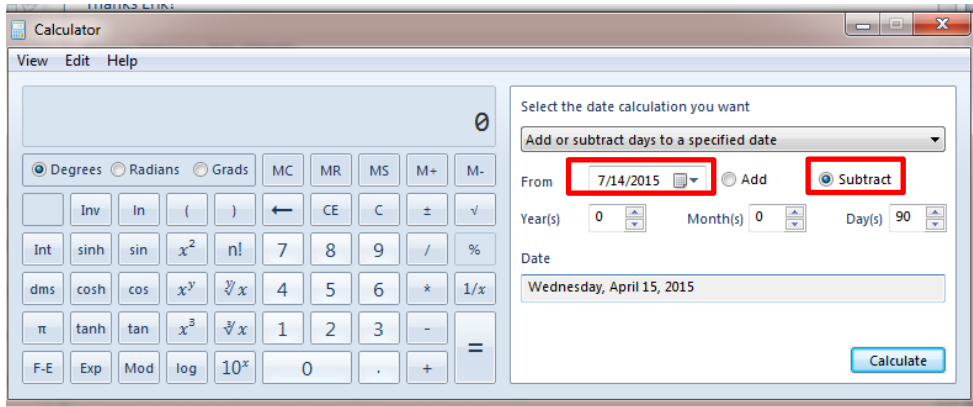

1. Use desktop calculator. You may need to change the view – Make sure **Date Calculation** is selected.

2. Select "Add or subtract days to a specified date" from the "Select the date calculation you want" drop down.

3. Enter the **EDD** in the “**From**” date box and select the “**Subtract**” radial button.

4. Enter **90** in the “**Days**” box and Select “**Calculate.**”
