

Financial Literacy Workshops

Referrals for participants not in JS

WorkFirst Staff refers the participant to Employment Security Department for Financial Literacy Workshops using the LS component code. Enters SFS contractor code with the LS component code. Also enter the FC indicator code.

Scenario: You meet with a participant and you both agree that the participant would benefit from attending Financial Literacy Workshops. Review the curriculum and determine which workshops the participant will attend. You can find a list of the workshops through the ESD Trumba calendar.
