

Support Services Directory

Revised xxxx xx, 2017

Support Services are transitional by nature and ~~are~~ not an ongoing supplement to the participant's grant, but are intended to help the client to transition off TANF to wages or other income sources. Support services are not an entitlement, and must be carefully managed to remain within available funds.

\$3000 per Program Year (July 1 to June 30) limit per participant (DSHS, Commerce, and ESD combined).

The support services are restricted according to the activity the participant is involved in. The activity categories are:

- **Work-related:** working, looking for work, work-like activities such as CJ
- **Safety-related:** meeting significant or emergency family safety needs such as family violence
- **Other activities:** any other activity contained in the client's IRP

Additional information related to the availability of Support Services can be found on the [eJAS Component Code Chart](#)

For all support services issued, decisions and justification ~~needs to~~ must be documented in participant notes.

The suggested amount is the average cost of these support services but your location, vendors, and other factors may increase or decrease these costs in your area.

JAS Code/ Service Definition	Suggested Limits	Activity	Notes
(04) Educational Expenses <u>All expenses related to training or required by training or education program</u>	\$300 per request	Work Other	Must be approved activity in the IRP. <u>Other Sources of payment should be looked at first such as: Pell grants, SEOG, or Work Based Tuition Assistance</u>
<u>Other Sources of payment should be looked at first such as:</u> <u>Pell grants, SEOG, or Work Based Tuition Assistance</u>			<u>Required expenses for education programs may be found in the participant's syllabus or education plan. All other students must have the same requirement for educational expense such as tools.</u> Is the class offered free in the community or community and technical colleges? High schools, community colleges, and community-based organizations (CBOs) may provide no-cost tutoring for students. These resources should be explored and used first.
