DEPARTMENT OF SOCIAL AND HEALTH SERVICES
REQUEST FOR INFORMATION 1512-555
REGARDING COMPETENCY RESTORATION SERVICES
BEHAVIORAL HEALTH AND SERVICE INTEGRATION ADMINISTRATION**

NOTICE OF INFORMATION SESSION

The Behavioral Health and Service Integration Administration of the Washington Department of Social and Health Services will conduct an Information Session on June 26, 2015 with regard to the above Request for Information. Organizations that provide Competency Restoration Services and that plan to respond to the Request for Information are invited to attend this Information Session.

At the Information Session, the Department will communicate information about the Department's efforts to increase its capacity to provide Competency Restoration Services to pretrial detainees within the state, and will respond to questions from representatives of organizations that provide these Services. The details of this Information Session are as follows:

Date: June 26, 2015

Time: 10:00 a.m. until 12:00 p.m.

Location: Rose Conference Room
First Floor, Blake East Office Building
4500 10th Avenue, SE
Lacey, WA 98503 (Directions are attached)

Parking: A parking pass is attached. Note that parking in the lots immediately adjacent to the Blake office buildings is limited. Please allow time to locate parking nearby if necessary.

Format: The Information Session will include brief presentations from representatives of the Behavioral Health and Service Integration Administration as well as a panel of DSHS representatives who will answer questions. Tentatively, the Agenda is as follows:

1. Assistant Secretary Jane Beyer: Capacity Building and Potential Contract Needs
2. DSHS Financial Services Administration: Forecasting Demand for Competency Restoration Services and State Budget Update (if available)
3. Panel Question and Answer Session: Representatives of clinical services, facility services and financial services will answer questions that have been submitted. It is requested that participants submit their questions in advance of the Information Session, if possible. These questions will be compiled and responded to by the panel. Additional questions noted on index cards will be answered as time permits.
4. A summary of the information provided and the questions and answers discussed at the Session will be posted in an Amendment to the RFI.

Thank you for participating in this Request for Information process.
