AMENDMENT #4
TO
REQUEST FOR PROPOSALS RFP 1534-501
LIFESPAN RESPITE WASHINGTON HOST AGENCY SERVICES

RFP 1534-501 is amended as follows:

1. This is a revision to point #5 in Amendment #3.
Bidders should note that Proposals may be submitted electronically, provided the electronic submission is emailed in a timely manner. ~~A hard copy of the Proposal with original signatures must be delivered or mailed to DSHS with a postmark or delivery date that is no later than the date bids are due.~~ Please see the RFP for instructions on this process.
2. The RFP contains inconsistent references to the Section numbers corresponding to the components of the Responsive Proposals. In the Table of Contents, the Management/Experience and Qualifications Proposal is listed as Section 3 of the Response, but on page 22, it is referred to as Section 2. In the Table of Contents, the Technical Proposal is listed as Section 2 of the Response, but on page 23, it is referred to as Section 3. DSHS prefers that Bidders number their Responses in the manner set forth on pages 22-23, but appreciates Proposals that clearly label the Proposal components, regardless of numbering, and will not reduce its evaluation based on the manner in which these components are numbered.
3. Thank you for participating in this RFP.
