SECTION A - CONTRACT REQUIREMENTS

1. **Purpose**

This competitive solicitation is issued to procure Expert Technical Services to lead the implementation and configuration of new IBM® Mainframe Security Components to modernize the data protection and security capabilities of the State of Washington's Automated Client Eligibility System (ACES).

2. **Background**

The Department of Social and Health Services (DSHS) is Washington's largest state agency. In any given month, DSHS provides some type of shelter, care, protection and/or support to 2.7 million of our state's 7 million people. The Department is divided into six direct service administrations and two support administrations.

The Department's Economic Services Administration (ESA) manages the state's comprehensive health and human services financial eligibility determination system known as the Automated Client Eligibility System (ACES).

ACES is a mission critical system that provides automated functionality to complete application intake and processing, eligibility determinations, cash and food benefit payments, correspondence, appointment scheduling, letters and forms, accounting, and federal report generation for more than 80 federal and state programs. The integrated eligibility system supports state and federal cash, food, and medical programs through application, recertification and reported change of circumstances. As an integrated eligibility system, ACES features Automated Case Maintenance as part of routine processing to ensure time sensitive updates are accurately applied to client and household level details for eligibility determination and benefit issuance.

ESA recently began an initiative to modernize ACES against internal and external threats to the security of confidential client data. ESA intends to improve existing business processes and implement a number of commercial off the shelf (COTS) data protection and security components to ensure confidential client data remains protected and the risk of a data breach is minimized.

3. **Project Scope**

ESA is looking for a single vendor to provide an expert technical services and support team to lead the DSHS implementation and configuration of the following IBM mainframe security components in the state environment:

8. **Amendment, Cancellation/Rejection of Bids, Reissuance of Solicitation**

DSHS may amend or add to, retract from or cancel this Solicitation at any time, in whole or in part, and without penalty. DSHS may reject all bids and cancel or rebid this Solicitation. All amendments and notifications of cancellation shall be posted on WEBS. In the event of a conflict between amendments or between an amendment and this Solicitation Document, the document issued latest shall control.

9. **Communications regarding Solicitation**

Upon the posting of this Solicitation, all communications concerning this Solicitation must be directed to the Coordinator listed on the cover page of this Solicitation document. With the exception of the Response, which shall be submitted as provided in Section D, Instructions For Submission of Written Responses, communications with the Coordinator should be sent via email. DSHS may disqualify any Bidder who communicates with anyone in DSHS other than the Coordinator regarding this Solicitation.

DSHS considers all oral communications unofficial and non-binding on DSHS. Bidders should rely only on written statements issued by the Coordinator.

10. **Questions and Answers**

Bidders may send written questions concerning this Solicitation to the Coordinator by the date and time set forth on the Solicitation Schedule in Section C for submission of Questions. Questions should be sent via email and should include the number and title of this Solicitation in the subject line.

DSHS may consolidate Bidder questions and shall respond by posting one or more Amendments on WEBS and on the DSHS Procurement website on or around the date specified in the Solicitation Schedule. Only Bidders who have properly registered and downloaded the original Solicitation directly via the WEBS system: [https://fortress.wa.gov/ga/webs/](https://fortress.wa.gov/ga/webs/) will receive notification of Amendments and other correspondence pertaining to this Solicitation.
11. Request for Change in Mandatory Requirements

If Bidder believes that this Solicitation contains requirements which would unreasonably prohibit or restrict Bidder’s participation, or believes that different requirements would provide better value to the State, Bidder shall submit a written explanation of the issue together with proposed alternative requirements to the Coordinator no later than the deadline for Bidder Questions as stated in the Solicitation Schedule set forth in Section C. The Coordinator shall not be required to consider requests for changes after this date. If any changes are made to the Solicitation requirements, an Amendment setting forth those changes will be posted on WEBS.

12. Complaints

In the event a Bidder believes that this Solicitation either: (a) unnecessarily restricts competition; (b) contains an unfair or flawed evaluation or scoring process; or (c) contains inadequate or insufficient information to permit preparation of a Response, the Bidder shall submit a written complaint to the Coordinator. The Coordinator will forward the complaint to the DSHS Chief of Central Contracts and Legal Services for review. The complaint shall include a proposed remedy and shall be submitted no later than five (5) business days prior to the date when Responses are due. Should a Bidder’s complaint identify a change that would be in the best interest of DSHS to make, DSHS may issue an Amendment modifying this Solicitation. The DSHS decision regarding a complaint is final and no further administrative appeal is available. If no complaint is filed, a Bidder cannot later file a protest based on any of the above complaint criteria.

13. Minority & Women’s (MWBE) and Veteran-Owned Business Enterprises

In accordance with the legislative findings and policies set forth in RCW 39.19, 43.60A.200, and 39.29.052, the State of Washington encourages participation by veteran-owned business enterprises and Minority-Owned and Women-Owned Business Enterprises (MWBE), either self-identified or certified by, respectively, the Department of Veterans Affairs or the Office of Minority and Women’s Business Enterprises (OMWBE). While the State does not give preferential treatment, it does seek equitable representation from the veterans, minority and women’s business communities.

Participation by veteran-owned and MWBE contractors may be either on a direct basis in response to this Solicitation or as a subcontractor to a contractor. However, no preference will be given in the evaluation of Bids, no minimum level of MWBE or veteran-owned business participation shall be required, and Bids will not be evaluated, rejected, or considered non-responsive on that basis.

Bidders may contact the Office of Minority and Women’s Business Enterprises (OMWBE) at http://www.omwbe.wa.gov/index.shtml and/or the Department of Veterans Affairs at http://www.dva.wa.gov/BusinessRegistry/default.aspx to obtain information on certified firms for potential subcontracting arrangements or for information on how to become certified.

Nothing in this section is intended to prevent or discourage participation from non-MWBE firms or non-veteran-owned businesses.
14. Auxiliary Aids and Services

DSHS will provide access to this Solicitation document to individuals with disabilities. Please contact the Coordinator to request auxiliary aids and services.

If an individual believes that the Department has discriminated on the basis of a disability, please contact the DSHS Investigations Unit for the Nondiscrimination Policy Brochure and complaint process. The brochure can be found at http://www.dshs.wa.gov/pdf/Publications/22-171.pdf.

15. Cost to Prepare Response

DSHS will not be liable for any costs incurred by the Bidder in preparing, conducting a site assessment, or submitting a Response to this Solicitation.

16. Acceptance of Solicitation Terms

In submitting a Response, Bidder must include a signed Bidder Certifications and Assurances in the form set forth on Attachment B. Bidder must acknowledge that in submitting a Response, it accepts all terms of this Solicitation Document, including all of its Attachments, and that Bidder’s Response constitutes a binding offer.

17. Joint Proposals

If Bidders submit a joint Response with one or more other persons or entities, these persons or entities must designate a prime Bidder. The prime Bidder will be DSHS sole point of contact through the Procurement process. If selected as the Apparent Successful Bidder, the prime Bidder shall sign the contract and any amendments and will be liable and responsible to DSHS for all performance under the contract.

18. Withdrawal of Responses

After a Response has been submitted, Bidders may withdraw their Response at any time up to the Response due date and time as specified in Section C, Solicitation Schedule. A written request to withdraw the Response, signed by an authorized representative of the Bidder, must be submitted to the Coordinator. After withdrawing a Response, the Bidder may submit another Response at any time up to the Response submission date and time.

19. Ownership of Responses

All materials submitted in response to this Solicitation become the property of DSHS, unless received after the deadline in which case the Response shall be returned to the sender. DSHS shall have the right to use any of the ideas presented as part of the process in any manner as it deems appropriate or beneficial, regardless of whether it is contained in a Response that results in selection for a Contract.
20. **DSHS Award Options; Improvement of Bid Offers**

After Responses are received and written evaluations are completed, DSHS may (but shall not be required to) request best and final offers from one or more Responsible and Responsive Bidders. The written Responses of Bidders invited to provide a best and final offer may be re-evaluated and the point values may be adjusted based upon changes to pricing or proposed services, deliverables or methodologies that are included in a best and final offer, prior to DSHS’ determination of the Apparent Successful Bidder.

Alternatively, after reviewing all Responses, DSHS may enter into negotiations with the highest ranked Responsive and Responsible Bidder in order to determine if the Bid may be improved before identification of the Apparent Successful Bidder.

DSHS shall not be required to request best and final offers or to enter into negotiations and reserves the right to make a Contract award without further discussion of the Response. Therefore the Response should be submitted on the most favorable terms that Bidder intends to offer.

21. **Oral Interview/Presentation**

After bids are received and written evaluations are completed, DSHS may request that one or more Responsible and Responsive bidders participate in the Oral Interview/Presentation process. If this option is elected, additional points shall be awarded as set forth in Section E, Evaluation of Responses.

22. **Announcement of Successful Bidder(s)**

DSHS shall announce the Apparent Successful Bidder(s) on WEBS on the date indicated in Section C, Solicitation Schedule. All announcements of Apparent Successful Bidders are subject to the negotiation of a Contract satisfactory to DSHS.

Bidders who are not announced as an Apparent Successful Bidder may request a debriefing conference with the Coordinator concerning the evaluation of their bid and may, under certain circumstances, file a formal protest requesting that DSHS provide an identified remedy if Bidder believes certain types of errors occurred. A more detailed description of these processes is set forth in Section F, Bidder Debriefing and Protest Procedure.

23. **Ethics, Policies and Law**

Bidders must submit complete, well-organized explanatory answers that address all of the specific questions asked in the Bidder Response Form. Bidders should not assume that evaluators will be familiar with their businesses before conducting the evaluation. Use of Attachment D assures that Bidder responds to specific questions in space immediately below those questions and helps to avoid confusion among evaluators about the question that is being responded to. In awarding points, evaluators shall not be obligated to search through the Bidder’s answers to questions other than the one being reviewed in order to locate text that is
responsive to the question being reviewed. Failure to use the form set forth on Attachment D (with the applicable questions set forth immediately above Bidder’s answers), failure to respond to all questions and/or failure to submit any documents requested in the Bidder Response Form may result in Bidder disqualification.

If Bidder is awarded a Contract, DSHS may require that Bidder’s Response to the Bidder Response Form be incorporated, in whole or in part, into the Contract.

27. Proprietary Information/Public Disclosure

Materials submitted in response to this Solicitation shall be deemed public records as defined by RCW 42.56. All Responses and accompanying documentation shall become the property of DSHS upon receipt, and will not be returned.

The Bidder’s Response must include a statement identifying the specific pages of its Response, if any, which contain information the Bidder considers proprietary. Each page claimed to be proprietary must be clearly marked by stating the word “Proprietary” on the lower right hand corner. Bidders must be reasonable in designating information as proprietary or confidential. **Bidders may not mark their entire Response proprietary. Doing so will not be honored and will disqualify your Response from further consideration.**

If DSHS receives a request to view or copy a Bidder’s Response, DSHS will respond according to applicable law and DSHS’s policy governing public disclosure. DSHS will not disclose any information marked “Proprietary” in a Response without giving the Bidder ten (10) days’ notice to seek relief in superior court per RCW 42.56.540.

**Bidders may not include any DSHS client information in their Responses. Doing so will result in disqualification of the Response from further consideration.** If you wish to include examples of any forms or processes, use a blank form or ensure that all client information is completely redacted.

28. Submission of Responses

Bid Responses must be stored in an acceptable electronic format and, if applicable, hard copy format, as set forth in Section 29 Acceptable Electronic Formats for Submission of Responses. Bid Responses must be emailed directly to the Coordinator at the email address provided on the cover sheet of this Solicitation Document. Bid Responses must be received by the Coordinator in their entirety on or before the due date and time set forth in Section C, Solicitation Schedule, unless a posted Amendment to this Competitive Solicitation changes this due date and time. Bidder’s completed version of each of the Attachments B and C to this Competitive Solicitation shall be included as a separate attachment to the Bidder’s email(s).

Bidders assume all risks for the timely submission of the Response. Bidders are responsible for allowing sufficient time to ensure timely electronic receipt of their Response by the Coordinator and, in Solicitations that also require that hard copies of the Response be submitted, to ensure timely receipt via other delivery methods. DSHS does not assume responsibility for problems with the Bidder’s email, network or problems with the mail, parking, traffic or the services of any third party courier. However, if DSHS email is not working properly, appropriate allowances will be made.
DSHS will not accept late Responses, nor grant time extensions for individual Bidders. DSHS will disqualify any Response and withdraw it from consideration if it is received after the Response submission due date and time.

29. Acceptable Electronic Formats for Submission of Responses

Responses should be submitted in Portable Document Format (Adobe Acrobat PDF) or Microsoft Word. Other Response documents must be formatted in Portable Document Format (Adobe Acrobat PDF) or Microsoft Word, Excel, or PowerPoint. Spreadsheet documents must be submitted in Microsoft Excel and in a live, unprotected file that includes all formulas, macros, and computations that are relied on or used to calculate any rates or values presented therein. When scanning documents to be submitted in PDF format, scanner resolution should be set to at least 200 dots per inch.

NOTE: DSHS cannot receive emails that are larger than 30MB. To keep file sizes to a minimum, Bidders are cautioned not to use unnecessary graphics in their Responses. If your Response approaches or exceeds 30MB, you must break it up and send it by more than one email so that no single email exceeds 30MB.

30. Alternative Submission Methods

Bidders wishing to request an alternative method for submitting their Response must contact the Coordinator at least ten (10) days before the Response Submission Date. No alternative submission method will be accepted unless agreed to by the Coordinator in writing prior to the Response deadline.
SECTION E - EVALUATION OF RESPONSES

31. Bid Responsiveness; Administrative Review

All Responses will be reviewed by the Coordinator to determine compliance with administrative and mandatory requirements and instructions specified in this Solicitation. DSHS may reject a Response as nonresponsive at any time for any of the following reasons:

- Incomplete Response
- Submission of a Response that proposes services that deviate from the scope and technical requirements set forth in this document and Attachment A, Sample Contract, except as permitted in an Amendment to this Solicitation
- Failure to meet the mandatory requirements or to comply with any requirement set forth in this Solicitation Document, including Attachments:
  - Bid Submission Letter
  - Certifications and Assurances
- Submission of incorrect, misleading, or false information
- History of prior unsatisfactory contractual performance

The Coordinator may contact any Bidder for clarification of the Response. If a Response is deemed non-responsive, it shall be removed from further consideration. DSHS shall notify non-responsive Bidder(s) of this determination and the supporting reasons. Bidders whose Responses are found to be non-responsive shall be disqualified from further evaluation and shall be notified in writing. Within three business days following such notification, Bidder may request a Debriefing Conference that shall be limited to the reasons Bidder was found to be non-responsive.

If a Response meets all administrative and Bidder qualification requirements and submittal instructions, DSHS shall continue with the Written Evaluation and, if applicable, the Oral Evaluation.

32. Errors in Bidder Response

Bidders are responsible for all errors or omissions contained in their Responses. Bidders will not be allowed to alter Response documents after the deadline for Response submissions.

DSHS reserves the right to contact any Bidder for clarification of Response contents. In those cases where it is unclear to what extent a requirement has been addressed, the evaluation panel may, in their discretion and acting through the Coordinator, contact a Bidder to clarify specific matters in the submitted Response.

DSHS reserves the right to waive minor administrative irregularities contained in any Bidder Response.
33. **Bid Evaluation Process**

DSHS shall designate an evaluation team of at least three (3) evaluators to review, evaluate, and score the written question responses. These evaluators will be selected based on their qualifications, experience, capability and background. If oral interviews or presentations are conducted, additional evaluators may supplement or replace some or all of the individuals performing the written evaluation.

For each of the Bidder’s proposed data protection and security capabilities, Evaluators shall assign scores up to the maximum points available. Individual evaluator points will be totaled and the average points for each capability will be calculated.

34. **Written Responses**

Following the Administrative Review, Responses shall be evaluated and points shall be awarded for the written proposal components of the Response, as applicable, based upon Bidder’s responses to the questions set forth in Section D.

The maximum number of points available for each Bidder’s Written Response is four-hundred (400) points. The overall breakdown for assignment of points in evaluating the proposal for this Solicitation is as follows:

<table>
<thead>
<tr>
<th>Solicitation Section</th>
<th>Attachment D</th>
<th>Points Available</th>
</tr>
</thead>
<tbody>
<tr>
<td>Administrative Response</td>
<td>Section 1</td>
<td>Pass/Fail</td>
</tr>
<tr>
<td>Management Response</td>
<td>Section 2</td>
<td>200 Maximum Points</td>
</tr>
<tr>
<td>Technical Response</td>
<td>Section 3</td>
<td>200 Maximum Points</td>
</tr>
<tr>
<td>Quotation/Cost Response Proposal</td>
<td>Section 4</td>
<td>100 Maximum Points</td>
</tr>
<tr>
<td><strong>Total Possible Written Proposal Points</strong></td>
<td></td>
<td><strong>500 Maximum Points</strong></td>
</tr>
</tbody>
</table>

DSHS may invite one or more of the highest scoring Bidders to participate in the Oral Interview/Presentation process which shall be separately evaluated.
Management and Technical Evaluation Scoring

Scoring will be based upon a scale of zero (0) to five (5) for the Management and Technical Section, with those scores being defined as follows:

<table>
<thead>
<tr>
<th>Score</th>
<th>Description</th>
<th>Discussion</th>
</tr>
</thead>
<tbody>
<tr>
<td>5</td>
<td>Exceptional</td>
<td>Feature, skill, or capability is clearly superior to that which is average.</td>
</tr>
<tr>
<td>4</td>
<td>Above Average</td>
<td>Feature, skill, or capability is better than that which is average.</td>
</tr>
<tr>
<td>3</td>
<td>Average</td>
<td>This is the baseline score for each item with adjustments based upon the evaluator’s interpretation of the Bidder’s response.</td>
</tr>
<tr>
<td>2</td>
<td>Below Average</td>
<td>Feature, skill, or capability is substandard to that which is average.</td>
</tr>
<tr>
<td>1</td>
<td>Failing</td>
<td>Feature, skill, or capability is non-responsive or clearly inadequate to that which is average.</td>
</tr>
<tr>
<td>0</td>
<td>No Value</td>
<td>Response shows no experience, skill, or capability.</td>
</tr>
</tbody>
</table>

Attachment D lists the different weights (points) assigned to each scored category for both the Management and Technical Sections.

Quotation/Cost Evaluation Scoring

The Quotation/Cost proposal evaluation shall be based upon a calculation that rates each bidder in relation to the lowest cost quotation. The maximum point value (100% of possible points) shall be granted to the lowest cost quotation and the remaining bids shall receive a percentage of the maximum number of points based upon a comparison of their value to that of the lowest cost quotation. In other words, the Bidder who offers the lowest rate for each question shall receive the maximum number of points, with other Bidders receiving fewer points in proportion to the lowest cost quotation. The total cost proposal will consist of the six requested responses as outlined in Section 4 of Attachment D, Bidder Response Form.

**EXAMPLE:**

<table>
<thead>
<tr>
<th>Bidder</th>
<th>Proposed Cost</th>
<th>Low Cost</th>
<th>Possible Points</th>

<tbody>
<tr>
<td>Bidder A</td>
<td>$100,000.00</td>

35. Bidder’s References

Once the written evaluations are completed, DSHS may contact the references provided by the top-ranked Bidder(s) in order to investigate past performance and validate information in Bidder Responses. In submitting a Response, Bidder agrees that it shall hold harmless DSHS and any
individuals identified as references from and against liability resulting from the provision of information or the receipt and use of that information in evaluating Bidder’s Response.

References are evaluated on a pass/fail basis. DSHS may reject a bid if a reference provides negative information about a Bidder’s past performance.

DSHS may, at any time, require additional or substitute references to determine the Bidder’s experience and level of responsibility. If the reference check process reveals information that should properly be considered in evaluating Bidder’s responses, DSHS may, in its sole discretion, reconvene the evaluation panel to reconsider the evaluation scoring in light of the information obtained.

36. **Oral Interview/Presentation**

DSHS may invite the highest scoring Bidders (e.g. finalists) to participate in the Oral Interview Presentation process. The maximum number of points available for the Oral Interview Presentation is two-hundred points (200).

The Oral Interview Presentation process is evaluated separately from the written responses.

37. **Selection of Apparent Successful Bidder**

The Bidder with the highest number of total points and which provides DSHS with the best value will be declared the Apparent Successful Bidder. DSHS may then enter into contract negotiations with the apparent successful bidder.

The selection process shall determine which Bidder provides the best value in meeting the needs of DSHS in addition to total points. Selection of the Apparent Successful Bidder(s) depends upon DSHS’ assessment of multiple factors, including Bidders’ qualifications, capabilities, efficiency, experience, reliability, responsibility, integrity, quality of proposed services and deliverables, timeliness, cost and potential impact on DSHS’ needs.

DSHS may consider whether the Response encourages diverse contractor participation; whether the Bid provides competitive pricing, economies and efficiencies; whether the Bidder considers human health and environmental impacts; whether the Response appropriately weighs cost and non-cost considerations; and life cycle cost, as applicable. DSHS may also consider a Bidder’s performance on prior State or other contracts and may reject Responses of any Bidder who has failed to perform satisfactorily under any previous contract with the state or another party.

DSHS reserves the right to select a Bidder whose Response is deemed to offer the best overall value and that is in the best interests of DSHS and the State of Washington. Hence, DSHS may choose to not award to the highest scoring or lowest-cost proposal.

Any Bidder who would be an Apparently Successful Bidder based on the scores awarded by the evaluators, and who is not selected, shall be provided, upon request, the reasons why DSHS selected a Bidder with a lower final score.

Designation as an Apparent Successful Bidder does not imply that the state will issue an award; it merely suggests that the state believes a proposal to be responsive and offer the best value to DSHS. This designation allows DSHS an opportunity to perform a responsibility analysis and
ask for additional documentation. DSHS is also at liberty to re-review and determine whether a proposal is responsive as initially determined. Bidder must not construe the notification of award, impending award, or attempts to negotiate, etc. as a final award decision. Any assumptions are done so at the Bidder’s own risk and expense.
Should Contract negotiations fail to be completed within 10 business days after initiation, DSHS may immediately cease Contract negotiations and declare the second highest ranked Bidder the new Apparent Successful Bidder and enter into Contract negotiations with that Bidder. This process will continue until a contract is signed or no qualified Bidders remain.

SECTION F - BIDDER DEBRIEFING AND PROTEST PROCEDURE

38. Debriefing Conferences

No later than 5:00 p.m. on the third business day following the posted announcement of Successful Bidder(s) on WEBS, Bidders who are not selected as a Successful Bidder may send an email to the Coordinator requesting a Debriefing Conference. Unless a different date is agreed upon by the Coordinator, the Debriefing Conference will be held on a date designated in Section C, Solicitation Schedule. Discussion at the debriefing conference will be limited to the following:

- Evaluation and scoring of the Bidder’s Response
- Critique of the Response based on the evaluation
- Review of Bidder’s final score in comparison with the other final scores

No comparisons between Bids will be allowed during the Debriefing Conference, which shall be conducted by telephone, unless the Coordinator agrees to an in-person meeting, and shall last for a maximum period of thirty (30) minutes. Since debriefing conferences pertain to the formal evaluation process, Bidders who were disqualified as nonresponsive and therefore did not go through the formal evaluation process shall only be entitled to request a debriefing on the issue of their disqualification for non-responsiveness.

39. Grounds and Filing of Protests

A Bidder who has participated in a Debriefing Conference may file a formal Protest if the Bidder asserts that there are facts that indicate error in the evaluation of Bids on one or more of the following grounds:

- Bias, discrimination or conflict of interest on the part of the evaluator or in the process
- Mathematical errors in computing the score
- Non-compliance with procedures described in the Solicitation document or in DES policy

Protests must be emailed to the Solicitation Coordinator and must be received no later than 5:00 p.m. (Pacific Time) on the fifth (5th) business day following the day of the Bidder’s Debriefing Conference. The Protest must adhere to the requirements set forth in this Section or it will not be considered. This Protest procedure constitutes the sole administrative remedy available to Bidders from DSHS under this Solicitation.
Protests must include the protestor’s mailing address and phone number and the name of the individual responsible for filing the Protest. The Protest must state the Solicitation number and title, the grounds for the Protest, specific facts to support these grounds, and a description of the relief or corrective action being requested.

Protests not based on one of the grounds set forth in this Section will be rejected. It is not grounds for a protest to question an evaluator’s professional judgment on the quality of a Response or DSHS’ assessment of its own needs or requirements.

40. DSHS Protest Review Process

The Coordinator will immediately forward any Protest to the Chief of Central Contracts and Legal Services to assign to a Protest Coordinator for review. The Protest Coordinator, an individual who was not involved in the Solicitation, will consider the record and all available facts and will endeavor to issue a decision within ten (10) business days following receipt of the Protest. If additional time is required, the protesting party will be notified of the delay.

In the event a Protest may involve the conduct of or information submitted by another Bidder that also submitted a Response, such Bidder will be given an opportunity to submit its views and any relevant information on the issue(s) raised by the protest to the Solicitation Coordinator.

41. Determination of Protests

The Protest Coordinator shall issue a written determination regarding the Protest. This written determination shall include one or more of the following determinations:

- Upholding DSHS determination of the Apparent Successful Bidder(s) on the basis that there are insufficient facts to establish the alleged error; or
- Upholding DSHS’ determination of the Apparent Successful Bidder(s) on the basis that there are only technical or harmless errors in DSHS’ evaluation process; or
- Finding errors and identifying actions which may be taken by DSHS, such as:
  - Correction of errors and reevaluation of all bids
  - Cancellation and reissuance of the Solicitation (in which case all the Bidders will be notified)
  - Other corrective actions as may be appropriate

There is no further administrative process or remedy available within DSHS to appeal the determination that resulted in a Protest. If the protesting party does not accept DSHS’ determination, the protesting party can seek relief from Superior Court in Thurston County, WA.
42. Contract Execution

The Apparent Successful Bidder(s) is expected to sign a contract with DSHS that is substantially the same as Attachment A, Sample Contract, included with this Solicitation, and to enter into any subsequent Contract amendments that may be required to address specific work or services.

DSHS reserves the right to require that some or all of Bidder’s Response be incorporated into the Contract, and to negotiate the specific wording of the Statement of Work, based on the requirements of this Solicitation and the terms of the Response submitted by the Apparent Successful Bidder. If changes are requested as part of the Bid Response, DSHS may consider, but shall be under no obligation to agree to, modifications to the General Terms and Conditions of Attachment A, Sample Contract.

If the Apparent Successful Bidder fails or refuses to sign a Contract within ten (10) business days of delivery by DSHS, DSHS may elect to designate the next highest-ranked finalist as the Apparent Successful Bidder.

43. Insurance

The Apparent Successful Bidder shall provide evidence of its compliance with the insurance requirements included in Attachment A, Sample Contract.

44. Non-Endorsement

The award of a Contract is not an endorsement by the State or DSHS of the Bidder or Bidder’s Services and shall not be represented as such by Bidder in any advertising or other publicity materials.

By submitting a Response to this Solicitation, the Bidder agrees to make no reference to DSHS in any literature, promotional materials, brochures, sales presentations or the like without the prior written consent of DSHS.

45. Background Checks

Individuals who will be performing the Contract on behalf of the Apparent Successful Bidder may be required to undergo background checks. Individuals who have disqualifying results (showing crimes and/or negative actions) may not be permitted to provide Services under the Contract.

46. Electronic Payment

The State prefers to utilize electronic payment in its transactions. The successful Bidder will be required to register in the Statewide Vendor Payment system, http://www.des.wa.gov/services/ContractingPurchasing/Business/VendorPay/Pages/default.aspx, prior to submitting a request for payment under their Contract. No payment shall be made until the registration is completed.
