CLIENT INSTRUCTIONS:

- Take this form to the community Workfare agency each month to verify the number of hours that you worked in Workfare for that month.
- You have to turn in the monthly form no later than 10 days after you complete your minimum Workfare hours.
- You must complete volunteer work each month to stay eligible for your Basic Food benefits. The number of volunteer work hours is calculated by dividing your household Basic Food benefit amount by the state minimum wage. Example: \$192 Basic Food benefits ÷ \$11.00 state minimum wage = 17 weekly volunteer hours.
