**Firearms and Supervision**

**WAC 388-148-1500**

I understand that I must:

- (1) Notify my licensor if I or someone else in my home has a gun or weapon on the property. This includes but is not limited to BB guns, pellet guns, air rifles, stun guns, antique guns, handguns, rifles, shotguns and archery equipment.
- (2) Guns and ammunition must not be accessible to children, and must be kept in locked containers with guns and ammunition locked separately, unless when stored in a locked gun safe.
- (3) Bows and arrows and other weapons must be stored in locked containers out of reach of children.
- (4) If I store guns in a container that may be easily breakable, I must secure them with a locked cable or chain placed through the trigger guards.
- (5) Whenever possible, we encourage you to equip guns with a trigger guard lock.
- (6) I must keep keys to the locked storage area of weapons secure from children.
- (7) Children may use a gun only if the child's worker approves and the youth and supervising adult has completed an approved gun or hunter safety course.

No firearms exist in my/our foster home and I/we agree to notify my licensor if I/we bring any into the home

Or

Firearms exist in my/our foster home.

**Water Safety and Supervision**

**WAC 388-148-1455**

I will ensure that children under my care or placed in my home or facility are safe around bodies of water. I will keep all swimming pools and other bodies of water fenced with a locking gate or other DLR-approved safety device, lock hot tubs when not in use, make all potential water hazards, including wading pools, inaccessible to children when not in use.

I will ensure that all swimming pools and other bodies of water are in compliance with state and local regulations. I will work with my licensor to establish a plan for the bodies of water based on the development level and behaviors of the children in my home.

I will observe the following when foster children are swimming in pools and outdoor bodies of water:

- (a) Swim only in designated swimming areas; or
- (b) Require all children age thirteen and under to wear U.S. Coast Guard-approved personal floatation devices when swimming outside the supervision of a lifeguard.

If I have any water-based recreation devices, I must use and maintain them according to manufacturer's recommendations. All children and youth who ride in a water-based recreation device must wear a U.S. Coast Guard-approved personal floatation device at all times. An adult with current age-appropriate first aid and CPR or a lifeguard must supervise children swimming under age twelve, and must be able to see and hear the children at all times. Children under the age of five must be within touching distance of a supervising adult or the birth parent at all times.
