Client File
Instructions
This form should be completed prior to the youth turning age 18. The parent, DDD Social Worker, and staffed residential agency/foster parent should all attend the shared parenting planning meeting.

Plan Effective Date
The effective date of the plan is the date the social worker signs the form. The form should be reviewed during the time of the annual assessment as well as updated as needed during the 90 day visits.

ADSA ID Number
System generated number when client record is established.

End Date
364 days from the plan effective date.

Youth’s Residence
Location of the placement address.

Doctor/Dentist
Current doctor (Primary Care Physician) and dentist contact information.

School
Current school contact information.

Representative Payee Agency
Current Representative Payee Agency and contact information.

Significant Others
All people who are involved in the youth’s life and are important to him/her.

Community Agencies
Outline what the plan is for providing these supports and how that is going to occur (e.g. Parent will be responsible for renewing the medical coupon annually).

Informal Community Agencies
Outline what the plan is for providing these supports and how that is going to occur (e.g. Foster parent will transport youth to the YMCA every Tuesday evening from 6-8pm).

Youth’s Vision for the Future:
Outline what the youth expresses his/her vision for their future is including vocational supports, long-term residential supports, etc. What does the youth see for themselves as they progress into adulthood (vocational goals, housing, education, etc.).

Questions, Concerns, or Requests
This is an opportunity for those involved in the planning meeting to discuss their fears, concerns, etc.

Care Plan
Include information regarding how the care giver is going to support the youth to become more independent in the area of personal care. What goals is the youth working on to gain skills and abilities to function as an independent adult?

Medical Appointments
Outline who will be attending, transporting, communicating, and delineating the shared parenting plan with regard to medical appointments. Include and document who has the authority to make medical decisions.

Financial Plan
Include representative payee information and the plan for money management. Outline how the youth will be supported to work towards independence in the area of money management.

Schedules and Future Planning
Outline what the expectations are and how the youth will be supported in the following areas: House Rules, Social Networking, Transition Planning and Vocational Planning.

Communication
Outline what the parent and extended families plan is for staying involved in their son or daughter’s life? What will that look like now that their child is 18?
