Consent for the Delegation Process			
<p>I have been informed that the Registered Nurse Delegator will only delegate to caregivers who are capable and willing to properly perform the task(s). Nurse delegation will only occur after the caregiver has completed state required training (WAC 246-841-405(2)(a)) and individualized training from the Registered Nurse Delegator. I further understand that the following task(s) may never be delegated:</p> <ul style="list-style-type: none"> • Administration of medications by injections (IM, Sub Q, IV) except insulin injections. ESSHB 2668 (2008) specifically allows delegation of insulin injections. • Sterile procedures. • Central line maintenance. • Acts that require nursing judgment <p style="text-align: center;"><u>If verbal consent is obtained, written consent is required within 30 days of verbal consent.</u></p>
