

AGING AND LONG-TERM SUPPORT ADMINISTRATION  
**Heshiiska Adeega Waddada Deg-dega ah (Fast Track)**  
**Fast Track Service Agreement**

MAGACA MACMIILKA
LAMBARKA AQOONSIGA ACES

Anigu waan fahmayaa in adeegaha daryeelka muddada dheer ee aan qaadan doono (doro hoos) ay yihiin kuwo si kumeel gaar ah u joojinaya u qalmitaankayga dhaqaale ee caawimaada Caafimaadka (Medicaid) oona ay dhici karto in loo oggolaado muddo ugu badnaan ah 90 maalmood ah.

- Doorashada Koowaad ee Bulshada (CFC)
  - Daryeelka Shakhsiyeed ee caawimaada Caafimaadka (Medicaid) (MPC)
  - Doorashada Koowaad ee Bulshada iyo COPES     Katanaasulida Taakulada Deegaanka
- Taariikhda bilaabashada adeega: \_\_\_\_\_ Taariikhda dhammaadka adeega: \_\_\_\_\_

Anigu waxaan oggolahay in aan codsado caawimaada Caafimaadka (Medicaid) marka ay tahay \_\_\_\_\_ (10 maalmood oo laga bilaabo taariikhda bilaabashada adeegayga). In lagu guuldaraysto in la codsado caawimaada Caafimaadka (Medicaid) waxay ka dhallan kartaa joojinta la joojiyo adeegahayga.

Haddii aan codsado caawimaada Caafimaadka (Medicaid) laakiin aanan u qalmin inta lagu guda jiro muddada la ii oggolaaday adeegaha laga helo tooska Waddada Deg-dega ah (Fast Track), adeegahayga waxay joogsan doonaan 10 maalmood kadib marka aan helo oggaysiiska diidmada caawimaada Caafimaadka (Medicaid).

Anigu waan fahansanahay in maamulaha kiiskayga uusan samayn doonin lacag bixin dheeraad ah oo loogu talagalay qiimaha adeegaha aan qaatay inta lagu guda jiro muddada Waddada Deg-dega ah (Fast Track) ee la oggolaaday. Si kastaba, marka aan dhinto, qiimaha adeegahaan iyo adeego kasta oo mustaqbalka ah waxay u hoggaansanaan doonaan Dib u celinta Hantida. (Fiiri WAC 182-527-2742 si aad u oggaatid adeegaha u hoggaansan Dib u celinta Hantida.)

Anigu waan fahansanahay in isbedelada ku dhaca tirada lacagta aan bixiyo ee ku saabsan qiimahayga daryeelka (kaqayb galka) ay khasab noqon doonto marka u qalmitaanka dhaqaalaha la xadido. Haddii la ii xadido in aan dhaqaale ahaan u qalmo, adeegahaygu way sii socon doonaan ilaa laga gaaro qiimeynta CARE ee soo socota.
