Read all sections carefully. **Check all boxes that apply to your household.** Sign, date, and return this form to your local office. If you have any questions, or if you need a postage paid envelope to return this form by mail, contact your local office.

Your Responsibilities: If your household gets cash, Basic Food or medical assistance, you must report changes as described under WAC 388-418-0005, 182-504-0105 and 182-504-0110 based on the benefits you receive. For cash and food assistance programs, you must tell us about these changes by the 10th day of the month after the date the change happened. For medical assistance, you must tell us within 30 days of when the change happened. If you tell us about a change that you do not have to tell us about, we must look at how this impacts your benefits. This may result in fewer benefits, or your benefits may end. For Basic Food, if you voluntarily report a move to a new residence, you must also report your new shelter costs in Section 2, even if you have not been billed for them yet. If you do not give us your new shelter costs, we will use \$0. This could cause you to receive fewer benefits.
