LONG TERM CARE AGREEMENT
FOR FOSTER PARENTS OR RELATIVE CAREGIVERS

Re: ____________________________

(child’s name)

This agreement is entered into between Children’s Administration and ____ (foster parent/relative caregiver name) as a Long Term Care Agreement.

It has been determined in a share planning meeting that it is in ____ (child’s name) best interest to remain in the home of ____ (foster parent/relative caregiver name) and be raised by them as a member of their family until he/she reaches the age of 18. It has also been determined that other permanent plans, such as return home, adoption, third party custody and guardianship are not appropriate options for this child.

I/We, ____ (foster parent/relative caregiver name), agree to be the caregiver(s) for ____ (child’s name) until he/she reaches the age of 18. I/We will not ask for him/her to be removed from our home, except under serious, unusual circumstances that cannot be alleviated by services provided by Children’s Administration.

I/We understand that this is a foster care placement and that the child will continue to be a dependent child and will remain in the custody of the Department of Social and Health Services.

Children’s Administration will not move this child from this placement unless the child’s safety, health or well-being are at risk in the placement or in the case of a placement with licensed foster parents, the foster parents are no longer licensed.

The term of this Agreement shall be from the date it is executed until the child’s 18th birthday.

DATED this ____ day of ____ , 20____.
