NOTES

3. Adult Family Home Tour and Inspection

The purpose of this task is to determine the information needed, and what sequence it should be obtained in to verify and/or substantiate the alleged issues within the complaint.

Objectives / Critical Elements:

- Conducted a focused physical environmental and resident tour. Focused on the complaint while looking at the general cleanliness, safety and comfort of the residents.
- Prioritized information gathering, obtained the most critical information first. Collected data to substantiate the licensor’s / complaint investigators conclusions.
- Identified the residents involved in the complaint. Identified from tour other residents who may have the same issues and concerns.
- Performed appropriate observations, interviews and record reviews of resident, staff and home. Focused on the issue(s) in order to verify the allegation(s) within the complaint.
- Performed observations and interviewed the resident(s) identified within the complaint.
- Documented questions and answers given in all interviews.
- Determined if the issues identified within the complaint happened or were substantiated.
- Conducted focused information gathering and/or closed record reviews for other residents at risk for the issue as appropriate depending on the type of complaint.
- Made every effort to maintain confidentiality of the complainant throughout the investigation.
- Recorded information at the level needed for evidence for determination to be clear as to the homes compliance or non-compliance.

NOTES

4. Exit Preparation / Exit

The intent of the exit meeting is:

- To assist the licensor and/or the complaint investigator to gather, organize and determine where the inconsistencies are and to resolve them with further data collection.
- To assist the licensor to use the above information to determine if non-compliant facility practices exists.
- To assist the licensor in preparing for the exit meeting.
- To inform the home of the preliminary deficiencies.
Objectives / Critical Elements:

- Reviewed recorded information for completeness of data related to the complaint issue and gathered further evidence if needed.
- Determined if the issue was verified to have or have not happened.
- Determined the compliance of the facility practice.
- Appropriately identified and investigated any imminent danger that was found according to principles and procedures in enforcement Management Bulletin(s) #02-019 (amended) and consulted the Peer Coach and/or Field Manager appropriately.
- Licensor and/or complaint investigator did not leave the home if immediate correction was warranted.
- Summarized findings clearly for licensee/provider and communicated timeframes clearly if the licensee was going to be cited. Identified the specific WAC/RCW references.
- Notified the licensee if the complaint was unsubstantiated and that there was no indication of deficient practice.
- Answered questions the licensee had without revealing the specifics of the complaint or complainant or other residents named within the complaint.
- Informed licensee if further collateral contacts are needed to be made after leaving the AFH.

NOTES

5. Report Writing

The purpose of the statement of deficiencies is to provide written verification and documentation using the prescribed methods in principles of documentation, for the public, the home and the residents and serves as a permanent record for the state enforcement and licensing agency.

Objectives / Critical Elements:

- Completed a collateral interview for each sample resident. Clearly identified the issues and concerns about the resident’s care and services.
- If the home was found to have deficient practice the SOD was written following the Principles of Documentation and was clear, concise and within the required timeframes for community programs. Editing was performed using the review tool.
- After the SOD review was completed by the Field Manager and/or Enforcement Officer, the SOD and the appropriate cover letter were forwarded to the Field Manager for signature.
- SOD was written using the correct WACs and RCWs.
- Inspection, deficiencies were entered into the AFH Tracking System per timelines for data entry.
- The Complaint was entered into the Tracking System.
- The Investigation Summary was written within the guidelines for complaint summaries.
- The Complaint Closure Face Sheet was completed.
- Ensured that proper records of deficiencies, events, process and agreements were maintained under guidelines established for retention of records. Working papers were completed, compiled and forwarded to administrative assistant.
- If enforcement action was taken, the licensor and/or the complaint investigator consulted with the Field Manager and the enforcement officer appropriately.
- The complaint investigation, statement of deficiencies, complaint investigative report and the working paperwork were completed within the required time requirements.
- Follow-up visit was scheduled on licensee’s complaint investigators schedule.
- Complainant was contacted with results of the investigation if appropriate.
