RE: Your CSD Disability Eligibility Review Contract
For the period of to

Dear Contractor,

In place of an on-site visit by staff from the Department of Social and Health Services (DSHS) to monitor your Community Services Division (CSD) contract, DSHS/CSD is using this Contractor Self-Assessment Monitoring Tool. Our goal in using this Contractor Self-Assessment Monitoring Tool is to support your understanding of and compliance with your CSD contract while reducing DSHS travel and administrative costs.

You are required by contract to complete and return this form by the due date below. Your performance as a DSHS contractor is measured and recorded by your compliance with these requirements.

Failure to complete and return this form by the due date below will result in the suspension of referrals.

This tool is designed to be completed using Microsoft Word or a compatible program and consists of a series of yes/no questions. Please answer all of the questions by double clicking and selecting the appropriate answer box. You may use the tab key on your keyboard to move from question to question and to the text fields. If an explanation is requested, please add a narrative response in the Contractor Explanation section which will expand to allow unlimited text. You may go back to a prior question by using the shift-tab keys on your keyboard or clicking once within the gray box.

Return the completed tool to me no later than .

In addition, you and your staff must read and sign the attached DSHS Notice of Nondisclosure form. You must retain the original signed form(s) and make the form(s) available to DSHS.

Sincerely,
