Data is not comparable to pre 2006 data due to reporting change to JCS system.

These data were obtained from the Office of the Administrator for the Courts, Sept. 2008

Differences in data entry practices among the juvenile courts may contribute to variations in the data. Not all juvenile courts utilize all categories.

Informal Action includes: Form letter response, Other remedies available, and Counseled, closed at intake.

Transfer to Adult Court is the number of referrals that were moved into the Adult system because of age of the juvenile, seriousness of the offense, or the juvenile's criminal history.
