LeadingAge Washington's Music and Memory Grant Quarterly Recap!

- LeadingAge WA created a Washington Music and Memory Project Facebook page to share video's and stories.
- LeadingAge WA created a Music and Memory resource page from our website <https://leadingagewa.org/tools/music-memory/>
- LeadingAge WA created an email listserv for our Champions to communicate and exchange stories, ideas, and challenges.
- LeadingAge WA is currently developing a newsletter - more to follow. Looking at the design from CA.
- February 2018 - continued to offer monthly the 2-day 90 min. webinar for certification and online training for staff
- March 2018 - continued to offer monthly the 2-day 90 min. webinar for certification and online training for staff
- April 2018 - continued to offer monthly the 2-day 90 min. webinar for certification and online training for staff
- April 26<sup>th</sup> meet with Wellness co-chairs to plan a 2 hr training schedule around the state. There will be 4 scheduled. Shoreline, S Seattle, Yakima and Spokane. We will create and supply a training/resource manual and ask that lap tops be brought to the meeting - to work on music downloads.
- Music and Memory region representative Letitia Rogers will attend our Annual Conference in Spokane - June 18-21. She will host a breakfast and stream the Alive Inside video. Letitia will have a booth during the conference to be available for Q & A.
- LeadingAge WA was approached by senior volunteers working with Evergreen University to hear more about the Music and Memory program. They would like to be a resource to place student volunteer in our communities to assist with implementing or supporting the program. They are currently in Panorama located in Lacey and reaching out to a Tacoma member!
