

## **DASA Tribal Workgroup May 13, 2008**

Introductions

Welcome

### **ADATSA-**

Yes State can add tribes during the middle of the year

New tribes will bill against the pool.

Official procedures to be added to the Tribal BI's so interested tribe will know the process and contact person.

- Tribe applies to DASA to provide ADTSA services. Need resolution from tribe.
- Contract will be issued to tribe
- Certification. Tribe needs to apply for certification.
- New service provider packet sent to tribe for Contract

Rates can be changed – discussion needs to happen with the RA .

### **Contract-**

Question( June O'Brien) – related to the inpatient treatment - expansion \$ - GAU eligible. Bill from A-19 dollars can come out of treatment expansion beds that are on the table.

DASA will get the 05-07 bill language and look at the leg. DA will explore if there is support to explore additional program use of expansion dollars. DASA commits to see if their can be further discussion.

Can the Governor – approve the treatment expansion dollars to be used for inpatient beds. Looking for additional resources for the ADATSA population  
Can unused funds be redirected?

Pull the bill and DA will pose the question to fiscal and leg to possibly flex the dollars to meet unmet need with unused dollars. – Add to Matrix

Send e-mail out request last comments to contract.

Tribes are interested in a Certification or licensing for dual eligible CD & MH therapist. There is a shortage of professionals in Indian Country.

Can a process be created to create a tribal co-occurring treatment provider – explore core competencies?

Doug A. will discuss with Kellogg & DOH to begin a discussion and report back to the tribes. – Add to Matrix

Workgroup – tribal members need to have a private tribal meeting to discuss other issues that need to be added to the workgroup matrix.
