STOP and go away...

If you come upon flood waters, stop. Turn around and go another way. Climb to higher ground. Draw a picture of something that might flood if it rains hard.

Never play or try to swim in flood waters, storms drains, ditches, ravines or culverts. It is better to be safe, than sorry around water.

What if the storm comes again?

Let's make a list of the things you might need if a storm comes again. Ask your parents to help. As a family, together you can plan for the next emergency and be ready!

Check list:

- ☐ First aid kit
  Equipo de primeros auxilios
- ☐ Flashlight
  Foco de pilas
- ☐ Fresh water
  Agua freza
- ☐ Food
  Comida extra
- ☐ Warm clothes
  Ropa caliente
- ☐ Pets
  Un animal domestico
- ☐ Other things _____
  Otras cosas

_____

_____

DISASTER OUTREACH SERVICES

To talk to a trained outreach worker about the recent storms, call:

1-800-850-8115

www.dshs.wa.gov/DisasterOutreachServices

They will listen to concerns and provide information that can assist in storm-recovery efforts.

DSHS 22-1284 (5/08)
