Purpose of the proposal and its anticipated effects, including any changes in existing rules:

Resident Client Protection Program (RCPP) has been moved into Adult Protective Services and the rules will be administered under chapter 388-71 WAC and chapter 388-106 WAC. References to the RCPP would thus be incorrect and will be repealed from chapter 388-76 WAC. Residential Care Services is coordinating to eliminate these WAC sections at the same time Home and Community Services is incorporating them into their WACs. The CR-102s for both divisions will be filed at the same time. Repealing the rules is beneficial to or supported by the regulated entities to prevent duplication of licensing rules.

Also, the department is amending rules to comply with Center for Medicare and Medicaid Services (CMS) new requirements for Home and Community Based Services regulations (42 CFR 441.302). As a part of the state's transition plan to comply with the new rules, CMS has requested WACs be changed to ensure resident rights are being addressed.

Reasons supporting proposal: See statement above.
