

WSP and FBI Fingerprint Results Process

Washington State Patrol (WSP) and Federal Bureau of Investigation (FBI)

The Fingerprint Results Process pertains to applicants that are required to have fingerprint based background checks

*Based on 2013 data approximately:

- 98% (68,306) of applicants have their first set of prints accepted by the WSP
- 1.7% (1,091) of applicants will have their second set of prints accepted by the WSP
- .2% (92) of applicant will have their third set of prints accepted by the WSP
- .1% (12) of applicants will have their fourth set of prints accepted by the WSP
- .0001% (1) applicant will have their fifth set of prints accepted by the WSP
