SECTION A. SUMMARY OF PROJECT

1. Purpose of Request for Qualifications.

CSD Mental Incapacity Evaluations

The Department of Social and Health Services (DSHS), Community Services Division (CSD), provides multiple programs to support the mission of DSHS. The purpose of this Request for Qualification (RFQ) is to expand the list of qualified psychologists and psychiatrists to use their diagnostic and clinical expertise to evaluate a client's claimed mental impairment.

CSD Aged, Blind or Disabled (ABD) Program Medical Evidence Reviews

The Department of Social and Health Services (DSHS), Community Services Division (CSD), provides multiple programs to support the mission of DSHS. The purpose of this Request for Qualification (RFQ) is to expand the list of qualified physicians and psychologists to use their diagnostic and clinical expertise to evaluate a client's claimed mental or physical impairment by reviewing medical evidence provided by CSD.

CSD Disability Eligibility Review

The Department of Social and Health Services (DSHS), Community Services Division (CSD), provides multiple programs to support the mission of DSHS. The purpose of this Request for Qualification (RFQ) is to expand the list of qualified physicians and psychologists to use their diagnostic and clinical expertise to evaluate a client's claimed mental or physical impairment by reviewing medical evidence provided by CSD and validate an assessment of whether the client is likely to meet federal SSI disability criteria.

2. **Background.** The Community Services Division (CSD) administers cash assistance programs for low-income individuals and families. Medical evidence is required to determine eligibility or participation requirements for the following:

- a. The Aged, Blind, or Disabled (ABD) program, which provides cash assistance to those who are 65 or older, blind, or determined likely to meet Supplemental Security income (SSI) disability criteria based on a physical or mental impairment that is expected to last at least 12 consecutive months.
- b. The Housing and Essential Needs (HEN) Referral program, which provides access to essential needs items and potential housing assistance through the Department of Commerce for adults who are unable to work for at least 90 days due to physical or mental incapacity and are ineligible for ABD cash assistance.
- c. The Temporary Assistance for Needy Families (TANF) program, which provides temporary cash assistance and a path to self-sufficiency through the WorkFirst program. Medical evidence is used to determine if a TANF recipient is able to fully participate in WorkFirst activities or if they are likely to meet federal SSI disability criteria.

- d. The Disability Eligibility Review (DER) contractor shall use their diagnostic and clinical expertise to review a client's medical evidence to determine if a client is likely to meet federal SSI disability criteria, and to assist DSHS in determining whether to refer clients for federal SSI disability
- e. The Mental Incapacity Evaluations (MIE) is to enable DSHS to obtain medical evidence about mental impairments claimed by Community Services Division (CSD) clients. The evaluation shall establish the current level of mental capability to perform work-related activities, if applicable, how long the mental disorder has impaired work-related activities and the length of time impairment is likely to continue (prognosis) with available treatment.

3. Project Scope.

- a. For State fiscal year 2014 (July 2013 through June 2014), CSD requested:
 - (1) Approximately 18,740 evaluations for ABD and HEN referral applicants and 9,163 evaluations to review recipients for continued benefits.
 - (2) 21,593 reviews of medical evidence for ABD applicants and recipients.
 - (3) 470 reviews of evidence to determine disability for TANF recipients.
- b. This CSD Request for Qualification (RFQ) seeks responses from qualified physicians and psychologists to use their diagnostic and clinical expertise to evaluate a client's claimed mental impairment or review medical evidence provided by CSD to validate an assessment of whether a client is likely to meet Federal SSI disability criteria.
- c. DSHS will award contracts to all qualified Applicants (individuals or provider groups) who agree to accept and respond to CSD referrals for mental incapacity evaluations or reviews of medical evidence and accept reimbursement of fees and expenses in the appropriate fee schedule exhibit as listed in the attached sample contract.
- d. A sample contract is attached to this RFQ as Exhibit D.
