- a. At DSHS's discretion, the Contract or Program Agreement may be renegotiated under the revised funding conditions.
- b. At DSHS's discretion, DSHS may give notice to Contractor to suspend performance when DSHS determines that there is reasonable likelihood that the funding insufficiency may be resolved in a timeframe that would allow Contractor's performance to be resumed prior to the normal completion date of this contract.
 - (1) During the period of suspension of performance, each party will inform the other of any conditions that may reasonably affect the potential for resumption of performance.
 - (2) When DSHS determines that the funding insufficiency is resolved, it will give Contractor written notice to resume performance. Upon the receipt of this notice, Contractor will provide written notice to DSHS informing DSHS whether it can resume performance and, if so, the date of resumption. For purposes of this subsection, "written notice" may include email.
 - (3) If the Contractor's proposed resumption date is not acceptable to DSHS and an acceptable date cannot be negotiated, DSHS may terminate the contract by giving written notice to Contractor. The parties agree that the Contract will be terminated retroactive to the date of the notice of suspension. DSHS shall be liable only for payment in accordance with the terms of this Contract for services rendered prior to the retroactive date of termination.

 - c. The Contractor waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend, and hold harmless the State and its agencies, officials, agents, or employees.

If the Contractor fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees, as may be required by law, Agency may collect from the Contractor the full amount payable to the Industrial Insurance accident fund. The Agency may deduct the amount owed by the Contractor to the accident fund from the amount payable to the Contractor by the Agency under this contract, and transmit the deducted amount to the Department of Labor and Industries, (L&I) Division of Insurance Services. DSHS may charge the Contractor interest and any costs associated with the collection of this overpayment. DSHS may collect an overpayment debt through lien, foreclosure, seizure and sale of the Contractor's real or personal property; order to withhold and deliver; or any other collection action available to DSHS to satisfy the overpayment debt.

Upon failure to return DSHS property within ten (10) calendar days, the Contractor shall be charged with all reasonable costs of recovery, including transportation.

- d. DSHS shall be liable only for payment required under the terms of this Contract for service rendered up to the effective date of termination or expiration.
- e. DSHS may withhold a sum from the final payment to the Contractor that DSHS determines necessary to protect DSHS against loss or additional liability.
- f. The rights and remedies provided to DSHS in this Section are in addition to any other rights and remedies provided at law, in equity, and/or under this Contract, including consequential and incidental damages.

33. Treatment of Property. All property purchased or furnished by DSHS for use by the Contractor during this Contract term shall remain with DSHS. Title to all property purchased or furnished by the Contractor for which the Contractor is entitled to reimbursement by DSHS under this Contract shall pass to and vest in DSHS. 35. Preventing Disruption of Adult Care, Mental Health, Addiction, Disability Support, or Youth Services Due to Labor Management Disputes and Employee Unrest.

Washington law requires that all services, direct or ancillary, for adult care, mental health, addiction, disability support, and youth services, be warranted by the Contractor providing those services against

DSHS General Terms and Conditions

disruption. Contractor and DSHS agree that disruptions to these services such as strikes, walk-offs, sick-ins, slowdowns, or any other such action designed to pressure Contractor's management to meet labor, workforce, or subcontractor demands ("Economic or Industrial Action") are covered under this warranty.

If this Contract includes adult care, mental health, addiction, disability support, or youth services, Contractor agrees to execute and maintain one or more of the following mandatory contractual commitments through the life of the Contract:

- a. An agreement between the Contractor and any exclusive representative labor organization representing the employees performing the contracted services. This agreement must contain a provision prohibiting Economic or Industrial Action on the part of all parties. This agreement must also include a process for the resolution of disputes between them; or
- b. An agreement between the Contractor and any labor organization seeking to represent the employees performing the contracted services. This agreement must contain a provision prohibiting the parties from causing, promoting, or encouraging Economic or Industrial Action, or other disruptive activity. This agreement must also include a process for resolution of disputes between parties.

Contractor must notify DSHS if it is unable to form a compliant agreement with a labor organization within 30 days of executing this Contract.

If services under this Contract are interrupted due to Contractor's failure to maintain one or more of the required contractual commitments listed above, DSHS may immediately terminate, suspend, or revoke this Contract for default, and arrange for the provision of services by other means. Contractor shall provide reimbursement of the actual costs to DSHS arising out of the inadequacy of the warranty provided by the Contractor.

36. Mandatory Individual Arbitration and Class or Collective Action Waiver as a Condition of Employment.

- a. "Mandatory Individual Arbitration Clause" or "Class or Collective Action Waiver" means an arbitration clause or waiver in an employment contract which precludes Contractor's employees from resolving employment disputes with their employer through class or collective proceedings in federal court. Instead, employees must bring individualized arbitration proceedings against their employer to resolve any employment disputes.
