The Contractor also agrees to include the above requirement in any and all Subcontracts into which it enters. The Contractor shall immediately notify DSHS if, during the term of this Contract, Contractor becomes Debarred. DSHS may immediately terminate this Contract by providing Contractor written notice if Contractor becomes Debarred during the term hereof.

8. **Governing Law and Venue.** This Contract shall be construed and interpreted in accordance with the laws of the state of Washington and the venue of any action brought hereunder shall be in Superior Court for Thurston County.

9. **Independent Contractor.** The parties intend that an independent contractor relationship will be created by this Contract. The Contractor and his or her employees or agents performing under this Contract are not employees or agents of the Department. The Contractor, his or her employees, or agents performing under this Contract will not hold himself/herself out as, nor claim to be, an officer or employee of the Department by reason hereof, nor will the Contractor, his or her employees, or agent make any claim of right, privilege or benefit that would accrue to such officer or employee.

10. **Inspection.** The Contractor shall, at no cost, provide DSHS and the Office of the State Auditor with reasonable access to Contractor’s place of business, Contractor’s records, and DSHS client records, wherever located. These inspection rights are intended to allow DSHS and the Office of the State Auditor to monitor, audit, and evaluate the Contractor’s performance and compliance with applicable laws, regulations, and these Contract terms. These inspection rights shall survive for six (6) years following this Contract’s termination or expiration.

11. **Maintenance of Records.** The Contractor shall maintain records relating to this Contract and the performance of the services described herein. The records include, but are not limited to, accounting procedures and practices, which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Contract. All records and other material relevant to this Contract shall be retained for six (6) years after expiration or termination of this Contract.

Without agreeing that litigation or claims are legally authorized, if any litigation, claim, or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

12. **Order of Precedence.** In the event of any inconsistency or conflict between the General Terms and Conditions and the Special Terms and Conditions of this Contract or any Program Agreement, the inconsistency or conflict shall be resolved by giving precedence to these General Terms and Conditions. Terms or conditions that are more restrictive, specific, or particular than those contained in the General Terms and Conditions shall not be construed as being inconsistent or in conflict.
13. **Severability.** If any term or condition of this Contract is held invalid by any court, the remainder of the Contract remains valid and in full force and effect.

Surviving terms include, but are not limited to: Billing Limitations; Confidentiality, Disputes; Indemnification and Hold Harmless, Inspection, Maintenance of Records, Notice of Overpayment, Ownership of Material, Termination for Default, Termination Procedure, and Treatment of Property.

15. **Contract Renegotiation, Suspension, or Termination Due to Change in Funding.**

If the funds DSHS relied upon to establish this Contract or Program Agreement are withdrawn, reduced or limited, or if additional or modified conditions are placed on such funding, after the effective date of this contract but prior to the normal completion of this Contract or Program Agreement:

a. At DSHS’s discretion, the Contract or Program Agreement may be renegotiated under the revised funding conditions.

b. At DSHS’s discretion, DSHS may give notice to Contractor to suspend performance when DSHS determines that there is reasonable likelihood that the funding insufficiency may be resolved in a timeframe that would allow Contractor’s performance to be resumed prior to the normal completion date of this contract.

   (1) During the period of suspension of performance, each party will inform the other of any conditions that may reasonably affect the potential for resumption of performance.

   (2) When DSHS determines that the funding insufficiency is resolved, it will give Contractor written notice to resume performance. Upon the receipt of this notice, Contractor will provide written notice to DSHS informing DSHS whether it can resume performance and, if so, the date of resumption. For purposes of this subsubsection, “written notice” may include email.

   (3) If the Contractor’s proposed resumption date is not acceptable to DSHS and an acceptable date cannot be negotiated, DSHS may terminate the contract by giving written notice to Contractor. The parties agree that the Contract will be terminated retroactive to the date of the notice of suspension. DSHS shall be liable only for payment in accordance with the terms of this Contract for services rendered prior to the retroactive date of termination.

c. DSHS may immediately terminate this Contract by providing written notice to the Contractor. The termination shall be effective on the date specified in the termination notice. DSHS shall be liable only for payment in accordance with the terms of this Contract for services rendered prior to the effective date of termination. No penalty shall accrue to DSHS in the event the termination option in this section is exercised.

16. **Waiver.** Waiver of any breach or default on any occasion shall not be deemed to be a waiver of any subsequent breach or default. Any waiver shall not be construed to be a modification of the terms and conditions of this Contract. Only the CCLS Chief or designee has the authority to waive any term or condition of this Contract on behalf of DSHS.

**Additional General Terms and Conditions – Client Service Contracts:**

17. **Advance Payment.** DSHS shall not make any payments in advance or anticipation of the delivery of
services to be provided pursuant to this Contract.

18. **Construction.** The language in this Contract shall be interpreted as to its fair meaning and not strictly for or against any party. Any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in interpreting this Contract.

19. **Contractor Certification Regarding Ethics.** The Contractor certifies that the Contractor is now, and shall remain, in compliance with Chapter 42.52 RCW, Ethics in Public Service, throughout the term of this Contract.

20. **Health and Safety.** Contractor shall perform any and all of its obligations under this Contract in a manner that does not compromise the health and safety of any DSHS client with whom the Contractor has contact.

21. **Indemnification and Hold Harmless.**

   a. The Contractor shall be responsible for and shall indemnify, defend, and hold DSHS harmless from any and all claims, costs, charges, penalties, demands, losses, liabilities, damages, judgments, or fines, of whatsoever kind of nature, arising out of or relating to a) the Contractor’s or any Subcontractor’s performance or failure to perform this Contract, or b) the acts or omissions of the Contractor or any Subcontractor.

   b. The Contractor’s duty to indemnify, defend, and hold DSHS harmless from any and all claims, costs, charges, penalties, demands, losses, liabilities, damages, judgments, or fines shall include DSHS’ personnel-related costs, reasonable attorney’s fees, court costs, and all related expenses.

   c. The Contractor waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend, and hold harmless the State and its agencies, officials, agents, or employees.

   d. Nothing in this term shall be construed as a modification or limitation on the Contractor’s obligation to procure insurance in accordance with this Contract or the scope of said insurance.

22. **Industrial Insurance Coverage.** The Contractor shall comply with the provisions of Title 51 RCW, Industrial Insurance. If the Contractor fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees, as may be required by law, DSHS may collect from the Contractor the full amount payable to the Industrial Insurance accident fund. DSHS may deduct the amount owed by the Contractor to the accident fund from the amount payable to the Contractor by DSHS under this contract, and transmit the deducted amount to the Department of Labor and Industries, (L&I) Division of Insurance Services. This provision does not waive any of L&I’s rights to collect from the Contractor.

23. **Notice of Overpayment.** If the Contractor receives a vendor overpayment notice or a letter communicating the existence of an overpayment from DSHS, the Contractor may protest the overpayment determination by requesting an adjudicative proceeding. The Contractor’s request for an adjudicative proceeding must:

   a. Be received by the Office of Financial Recovery (OFR) at Post Office Box 9501, Olympia, Washington 98507-9501, within twenty-eight (28) calendar days of service of the notice;

   b. Be sent by certified mail (return receipt) or other manner that proves OFR received the request;

   c. Include a statement as to why the Contractor thinks the notice is incorrect; and

   d. Include a copy of the overpayment notice.
Timely and complete requests will be scheduled for a formal hearing by the Office of Administrative Hearings. The Contractor may be offered a pre-hearing or alternative dispute resolution conference in an attempt to resolve the overpayment dispute prior to the hearing.

Failure to provide OFR with a written request for a hearing within twenty-eight (28) days of service of a vendor overpayment notice or other overpayment letter will result in an overpayment debt against the Contractor. DSHS may charge the Contractor interest and any costs associated with the collection of this overpayment. DSHS may collect an overpayment debt through lien, foreclosure, seizure and sale of the Contractor’s real or personal property; order to withhold and deliver; or any other collection action available to DSHS to satisfy the overpayment debt.

24. **Subcontracting.** Except as otherwise provided in this Contract, the Contractor shall not subcontract any of the contracted services without the prior approval of DSHS. Contractor is responsible to ensure that all terms, conditions, assurances and certifications set forth in this Contract are included in any and all Subcontracts, unless an exception to including a particular term or terms has been approved in advance by the CCLS Chief. Any failure of Contractor or its subcontractors to perform the obligations of this Contract shall not discharge the Contractor from its obligations hereunder or diminish DSHS’ rights or remedies available under this Contract.

25. **Subrecipients.**
   
a. General. If the Contractor is a subrecipient of federal awards as defined by 2 CFR Part 200 and this Agreement, the Contractor shall:

   (1) Maintain records that identify, in its accounts, all federal awards received and expended and the federal programs under which they were received, by Catalog of Federal Domestic Assistance (CFDA) title and number, award number and year, name of the federal agency, and name of the pass-through entity;

   (5) Comply with the applicable requirements of 2 CFR Part 200, including any future amendments to 2 CFR Part 200, and any successor or replacement Office of Management and Budget (OMB) Circular or regulation; and

b. Single Audit Act Compliance. If the Contractor is a subrecipient and expends $750,000 or more in federal awards from any and/or all sources in any fiscal year, the Contractor shall procure and pay
for a single audit or a program-specific audit for that fiscal year. Upon completion of each audit, the Contractor shall:

(1) Submit to the DSHS contact person the data collection form and reporting package specified in 2 CFR Part 200, Subpart F, reports required by the program-specific audit guide (if applicable), and a copy of any management letters issued by the auditor;

(2) Follow-up and develop corrective action for all audit findings; in accordance with 2 CFR Part 200, Subpart F; prepare a “Summary Schedule of Prior Audit Findings” reporting the status of all audit findings included in the prior audit's schedule of findings and questioned costs.

c. Overpayments. If it is determined by DSHS, or during the course of a required audit, that the Contractor has been paid unallowable costs under this or any Program Agreement, DSHS may require the Contractor to reimburse DSHS in accordance with 2 CFR Part 200.

26. Termination for Convenience. DSHS may terminate this Contract in whole or in part when it is in the best interest of DSHS by giving the Contractor at least thirty (30) calendar days' written notice. The Contractor may terminate this Contract for convenience by giving DSHS at least thirty (30) calendar days' written notice addressed to DSHS at the address listed on page 1 of this Contract.

27. Termination for Default. The CCLS Chief may immediately terminate this Contract for default, in whole or in part, by written notice to the Contractor if DSHS has a reasonable basis to believe that the Contractor has:

a. Failed to meet or maintain any requirement for contracting with DSHS;

b. Failed to protect the health or safety of any DSHS client pursuant to the section entitled Health and Safety of this Contract;

c. Failed to perform under, or otherwise breached, any term or condition of this Contract; and/or

d. Violated any applicable law or regulation.

If it is later determined that the Contractor was not in default, the termination shall be considered a termination for convenience.

28. Termination or Expiration Procedure. The following terms and conditions apply upon Contract termination or expiration:

a. The Contractor shall cease to perform any services required by this Contract as of the effective date of termination or expiration.

b. If the Contract is terminated, the Contractor shall comply with all instructions contained in the termination notice.

c. The Contractor shall immediately deliver to the DSHS contact named on page one of this Contract, or to his or her successor, all DSHS property in the Contractor's possession. The Contractor grants DSHS the right to enter upon the Contractor's premises for the sole purpose of recovering any DSHS property that the Contractor fails to return within ten (10) calendar days of the effective date of termination or expiration of this Contract. Upon failure to return DSHS property within ten (10) calendar days, the Contractor shall be charged with all reasonable costs of recovery, including transportation.

d. DSHS shall be liable only for payment required under the terms of this Contract for service rendered up to the effective date of termination or expiration.
e. DSHS may withhold a sum from the final payment to the Contractor that DSHS determines necessary to protect DSHS against loss or additional liability.

f. The rights and remedies provided to DSHS in this Section are in addition to any other rights and remedies provided at law, in equity, and/or under this Contract, including consequential and incidental damages.

29. Treatment of Client Property. Unless otherwise provided, the Contractor shall ensure that any adult client receiving services from the Contractor has unrestricted access to the client's personal property. The Contractor shall not interfere with any adult client's ownership, possession, or use of the client’s property. The Contractor shall provide clients under age eighteen (18) with reasonable access to their personal property that is appropriate to the client’s age, development, and needs. Upon termination of services to a client, the Contractor shall immediately release to the client and/or the client’s guardian or custodian all of the client’s personal property.

30. Treatment of Property. All property purchased or furnished by DSHS for use by the Contractor during this Contract term shall remain with DSHS. Title to all property purchased or furnished by the Contractor for which the Contractor is entitled to reimbursement by DSHS under this Contract shall pass to and vest in DSHS. The Contractor shall protect, maintain, and insure all DSHS property in its possession against loss or damage and shall return DSHS property to DSHS upon Contract termination or expiration.

31. Taxes.

a. Where required by statute or regulation, Contractor shall pay for and maintain in current status all taxes that are necessary for Contract performance. DSHS will pay sales or use taxes, if any, imposed on the services and materials acquired hereunder. Contractor must pay all other taxes including without limitation Washington Business and Occupation Tax, other taxes based on Contractor’s income or gross receipts, or personal property taxes levied or assessed on Contractor’s personal property. DSHS, as an agency of Washington State government, is exempt from property tax.

b. Contractor shall complete registration with the Washington State Department of Revenue and be responsible for payment of all taxes due on payments made under this Contract in accordance with the requirements of Title 82 RCW and Title 458 WAC. Out-of-state Contractors must contact the Department of Revenue to determine whether they meet criteria to register and establish an account with the Department of Revenue. Refer to WAC 458-20-101 (Tax registration and tax reporting) and call the Department of Revenue at 800-647-7706 for additional information. When out-of-state Contractors are not required to collect and remit sales tax, DSHS shall be responsible for paying use tax, if applicable, directly to the Department of Revenue.

c. All payments accrued on account of payroll taxes, unemployment contributions, any other taxes, insurance, or other expenses for Contractor or Contractor’s staff shall be Contractor’s sole responsibility.

32. Mandatory Individual Arbitration and Class or Collective Action Waiver as a Condition of Employment.

a. “Mandatory Individual Arbitration Clause” or “Class or Collective Action Waiver” means an arbitration clause or waiver in an employment contract which precludes Contractor’s employees from resolving employment disputes with their employer through class or collective proceedings in federal court. Instead, employees must bring individualized arbitration proceedings against their employer to resolve any employment disputes.
b. The Contractor, by signature to this Contract, certifies that the Contractor does not require Contractor’s employees to agree to, as a condition of employment, a Mandatory Individual Arbitration Clause or Class or Collective Action Waiver.

c. Contractor must notify DSHS within ten (10) business days if, during the term of this Contract, Contractor requires Contractor’s employees to agree to, as a condition of employment, a Mandatory Individual Arbitration Clause or Class or Collective Action Waiver.

      (1) Result in a conviction for violating a local, state or federal law; or

      (2) In the sole judgment of DSHS, adversely affect the delivery of services under this Contract or the health, safety or welfare of DSHS Customers.

10. Removal of Individuals from Performing Services

a. In the event that any of the Contractor’s employees, subcontractors, or volunteers who provide services under this Contract do not meet qualifications required by this Contract or do not perform the services as required in this Contract, DSHS may require that Contractor remove such individual from providing services to DSHS Customers under this Contract.

b. DSHS shall notify the Contractor of this decision verbally and in writing and the Contractor shall, within twenty-four (24) hours, remove that individual from providing direct services to DSHS Customers. Failure to do so may result in a Corrective Action Plan.

11. Compliance with Corrective Action Plan

In the event that DSHS identifies deficiencies in Contractor’s performance under this Contract, DSHS may require that the Contractor establish a Corrective Action Plan. When establishing a Corrective Action Plan, Contractor agrees to undertake the actions specified in the plan within the timeframes given to correct the deficiencies identified by DSHS. Contractor’s failure to establish or follow an established Corrective Action Plan shall be grounds for termination of this Contract for default.

In the event of any inconsistency or conflict between the Terms and Conditions of this Contract and the DVR Service Delivery Outcome Plan (SDOP) and the Authorization for Purchase (AFP), the inconsistency or conflict shall be resolved by giving precedence this Contract in its entirety. Terms or conditions that are more restrictive, specific, or particular than those contained in this Contract shall not be construed as being inconsistent or in conflict.

13. Background Checks.

a. Prior to performing services under this contract, the Contractor must obtain a criminal background check through the online DSHS Background Check System for all personnel, interns, or volunteers who may have Unsupervised Access to Customers. c. The Contractor shall designate an employee contact and back-up contact who are authorized to process confidential background checks and accept results of background checks on its personnel, interns, or volunteers utilizing the online DSHS Background Check System. The Contractor shall submit a Background Check Contractor Designated Contacts form, DSHS 17-266, and follow written instructions to be provided by DVR for required access and use of the system to obtain background checks on their personnel, interns, or volunteers who may have Unsupervised Access to Customers.
d. When an employee, intern, or volunteer of the Contractor receives a background check result of “NO RECORD”, the Contractor may allow Unsupervised Access to Customers.

(1) The completed CCSA shall be kept on file with the employee, intern, or volunteer’s DSHS background check results.

(2) At any time, DVR may ask to view the CCSA or request a copy of the CCSA form.

f. When an employee, intern, or volunteer of the Contractor receives a background check result of “DISQUALIFY” as a result of crimes, convictions, or actions that are on the DSHS Disqualifying List of Crimes and Negative Actions, the Contractor shall ensure that the employee, intern, or volunteer does not have Unsupervised Access to Customers. The list can be found at the following website address in the section for programs administered by DSHS, including DSHS state employees in covered positions with access to vulnerable people: https://www.dshs.wa.gov/ffa/disqualifying-list-crimes-and-negative-actions.

(1) Results of the online DSHS Background Check System for individuals who were hired by the Contractor or existing employees, interns or volunteers who are granted Unsupervised Access to Customers, including RAP sheets or supplemental information provided by the applicant must be stored together in a secure location separated from personnel files and other less confidential documents. Documents include the person’s name, date of birth, aliases, driver’s license, and social security number, and confidential background information.

(2) Results of the online DSHS Background Check System for individuals who were not hired by the Contractor, or existing employees, interns, or volunteers of the Contractor who are denied Unsupervised Access to Customers, because of a disqualifying record, including RAP sheets or supplemental information provided by the applicant must be stored together in a secure location. Documents include the person’s name, date of birth, aliases, driver’s license number, and social security number, and confidential background information.
