

# SUMMER ADVANCED MANUFACTURING BOOTCAMP

AUTOMATION | SPACE | AEROSPACE | FOOD PROCESSING

## YOU WILL RECEIVE:

- AJAC Bootcamp Certificate of Completion
- OSHA 10, First-Aid/CPR Certification
- Forklift & Warehouse Flagging Certification
- Self-Advocacy Training Certification
- Renton Technical College Tours

## HOW IT WORKS:

AJAC is excited to offer a summer bootcamp series to students that want to learn more about careers and apprenticeships in the local manufacturing industry. **This two-week program helps students explore careers in engineering, welding, logistics, machining, automation, maintenance and more.**

Packaged in this free training, students will receive 30 hours of Entry-Level Manufacturing Training, and 10 hours of job coaching and self-advocacy work with our staff so they can map out their future goals. They will also hear from industry professionals, and guest speakers from the industry and explore other local training programs that are available for them.

### DATES

July 5<sup>th</sup> - July 15<sup>th</sup>  
July 25<sup>th</sup> - August 5<sup>th</sup>

### TIME

Monday - Friday  
10am - 2pm

### LOCATION

Renton Technical  
College
