MOTIVATIONAL ENHANCEMENT GROUP INTERVENTION (MEGI)

MEGI is a targeted, student-centered support model to students ages 16-21 in the areas of career exploration and planning.

“These services are made possible by the Washington State Department of Social and Health Services, Division of Vocational Rehabilitation.

Why MEGI?

✓ 12 sessions over the course of 3-4 months; 1 hour topic-focused sessions
✓ In-classroom delivery
✓ Interactive and flexible style of delivery
✓ Benefits students by engaging them in strength-based personal exploration and supporting them in planning for post-secondary employment
✓ Increases students’ disability awareness and self-advocacy skills
