

TOUR AEROSPACE MANUFACTURING

Work-Based Learning Experience
for students 16-21 with disabilities

Skills Inc. is one of Washington's largest aerospace suppliers and one of very few companies (outside of Boeing) that both fabricates and finishes parts.

Get to know the exciting high-tech industry of Aerospace up-close and in-person!

- ◆ See the behind-the-scenes process of creating aircraft parts
- ◆ Learn about different career opportunities and jobs
- ◆ Engage with our diverse and talented staff

IT'S ABOUT ABILITIES

Our integrated work environment includes individuals with and without disabilities working side-by-side. Our success can be attributed to our guiding principles: focus on abilities and job fit, high expectations for all, and a culture of inclusion.
