

CREATING JOBS THAT CHANGE LIVES

Paid Summer Internship

In-Person, Hands-On, Work-Based Learning Experience

for Young Adults with Disabilities

DO YOU WANT TO:

- Prepare for work after high school?*
- Explore aerospace manufacturing jobs?*
- Get guidance from subject experts?*
- Improve communication skills?*
- Build self-confidence?*

REQUIREMENTS:

- ✓ Students age 16-21 with IEP or 504 Plan
- ✓ Registered with a high school or post-secondary institute for Fall 2021 term
- ✓ Current or eligible Pre-ETS client

TRAINING TOPICS INCLUDE:

- General Industry Safety Training
- Workplace Job Shadowing
- Hands-on Task Training
- Workplace Success Strategies
- Communication Development

Interested in gaining valuable hands-on experience and learn about jobs in aerospace manufacturing? Apply for Skills Inc.'s Summer 2021 Aerospace Internship by **April 30!**

This paid, part-time internship is a great way for students to learn manufacturing and work readiness skills directly from industry professionals. Work-based learning experiences like this are provided by Skills Inc. in partnership with WA State Division of Vocational Rehabilitation (DVR) as part of the Pre-Employment Transition Services (Pre-ETS) provided at **no cost** to eligible students.

ENROLLING NOW - LIMITED SPOTS

PROGRAM DATES

Monday-Friday, 9am-2pm
(You can only participate in one session)

- Session A: June 21 – July 1
- Session B: July 12 – 23
- Session C: August 2 – 13

Deadline to apply: April 30, 2021
