Self-employment Exploration Development

A Pre-Employment Transition Services program for **Gen Z** transitional students age 16 to 21 in Washington State.

Gen Z are drawn to freelancing, self-employment, and entrepreneurship due to the work-life balance associated with being your own boss.

The 2019 Census American Community Survey estimated approximately 700,000 disabled workers were self-employed.

Have you always dreamed of being your own boss? Owning your own business? Doing freelance work? Wandke Consulting has developed a unique program to help you achieve your dreams. This program is free to qualified applicants and is funded by Washington State DVR. The first cohort of the five month program will begin in late Spring 2022.
