

## Barnaamijyada uu Caymiyay HIPAA ee DSHS DSHS HIPAA Covered Programs

Sida hay'ad caymisan ahaan, DSHS waa in ay ku wargelisaa macaamiisha ay saameeysay [xuguugaha asturnaanta](#) ee Xeerka Isla-Xisaabtanka iyo Wareejinta Macluumaadka Caafimaad (HIPAA). (45 CFR 164.520). DSHS waa "hay'ad isku-dhaf ah loo caymiyay," oo loola jeedo in qaar ka mid ah barnaamijyada macmiilka DSHS in uu caymiyo HIPAA, balse qaar kalena uusan caymin. Keliya barnaamijyada macmiilka ee hoos loogu taxay sida Qaybaha Daryeelka Caafimaadka (HCC) ayuu caymiyay HIPAA. Barnaamijyada loo taxay sida Qaybaha Daryeelka ee Aan Caafimaadka Ahayn (Aan HCC Ahayn) ma caymiyo HIPAA balse waxaa weli ku waajiba shuruudaha kale ee qarsoodi ahaanta gobolka iyo federaalka.

**Qaybaha Daryeelka Caafimaadka (HCC) waxaa loo taxay sida ay Maamullada ugu kala horreeyaan alfiba'da**

ALTSA HCS	Maamulka Gabowga iyo Taageerada Muddada Dheer (ALTSA) Adeegyada Guriga iyo Bulshada (HCS)	HCC
