Process for children approved for Out-of-Home Services

1. DDA Social Service Specialist (SSS) or designee will send the School District Communication form to the applicable school district upon confirmation of approval for Out-of-Home Services in which the move from the family home results in the child / youth attending a new school district or a change in census for a DDA child / youth within a child foster home, staffed residential home, or group care facility.
2. Parent or legal guardian for the youth selects a residential option and confirmation that a transition will occur.
3. DDA receives consent to release information to the school district signed by parent or legal guardian. (Not applicable for youth transitioning out of the residential home.)
4. This form is faxed to applicable school district with attached appropriate information. (Ensure that current school contact information is provided if IEP is not available.)
5. Form provides all contact information and comments on youth's legal status with the decision maker identified.
6. School District to acknowledge the receipt of the census change form by contacting the DDA SSS or designee.
7. DDA, residential agency / child foster home provider and school districts to correspond with transition timelines and support needs for the youth in order to provide continuity of service delivery.
