TED Program Pilot Project: Application for Emergency Alerting Device KIT

The Telecommunication Equipment Distribution (TED) program within the Office of the Deaf and Hard of Hearing (ODHH) is conducting a pilot project to provide Emergency Alerting Device (EAD) Kits to Deaf and Hard of Hearing TED Program clients.

Washington State residents ages 4 and up who are deaf, hard of hearing, late-deafened, or deaf-blind are eligible to apply to receive EAD Kits.

This application has the information you will need to complete the process. If you have any questions or need help filling out the application, you may contact the TED Program.

To receive equipment, you must:

☐ Complete the Application for EAD Kit
☐ Mail your application to the TED Program at the address above or send by email to odhh@dshs.wa.gov.

When your application is accepted and processed, we will:

1. Send you a letter telling you the status of your request.
2. Add your name to the next equipment distribution list.
3. Ship the equipment to you.

*For more information about the application process, see Frequently Asked Questions in Program Information (page 2).

Applications can be made available in other formats. Please contact ODHH to request an alternate format or other languages.
Frequently Asked Questions (FAQ)

Do I have to pay for equipment?
Because ODHH is conducting a pilot project, the emergency alerting kits are being provided at no cost to clients in exchange for feedback on the devices being issued. The equipment will become the property of the client. As a participant in the Pilot Project, you may be asked to participate in a survey to assist us in identifying what equipment works best for clients and what other equipment might be necessary.

What income must be reported?
You must report any and all sources of income including but not limited to wages, disability benefits, retirement income, social security, and interest. While your reported income will not disqualify you for participation in the Pilot Project, we ask that you provide the information to help us determine how best to implement a permanent EAD Kit program.

What equipment may I choose from?
The TED Program has worked with Teltex, Inc. to create a basic Emergency Alerting Device (EAD) Kit that contains a Master Unit with built in alarm clock and land line telephone notification, Wireless Doorbell Button, Vibration Disc, Smoke/CO Transmitter, and Smoke/CO Detector. Optional accessories such as Baby Cry Sound Signaler Kit, Pager Receiver, and Smartphone Bluetooth Transmitters may be provided if funding is available.

What professionals are authorized to sign my Pilot Project application form?
The following individuals are authorized to certify an applicant’s eligibility:

a. A person who is licensed or certified by the Department of Health to provide health care in the state of Washington;
b. An audiologist or hearing aid fitter / dispenser in the State of Washington;
c. A deaf specialist or coordinator at one of the community service centers for the deaf and hard of hearing in the state;
d. Staff from a qualified Washington state agency;
e. A vocational rehabilitation counselor within the State of Washington;
f. A deaf-blind specialist or coordinator at an organization that serves deaf-blind people within the State of Washington;

When will I receive equipment?
The process to receive equipment can take four (4) to eight (8) weeks depending on inventory availability. EAD KITS will be shipped directly to you by our vendor. Because this is a pilot project, there is a limited number of kits available during the initial phase of the trial.
Incomplete applications may be returned and result in a delay of service. Print or type clearly and send to ODHH@dshs.wa.gov or mail to: TED Program, PO Box 45301, Olympia, WA 98504-5301.

How did you hear about the TED EAD program?
- [ ] Friend or family member
- [ ] Magazine or newsletter
- [ ] Medical professional
- [ ] Presentation or information booth
- [ ] TV advertisement
- [ ] Other: ____________

Have you received equipment from the TED Program in the past?
- [ ] Yes
- [ ] No
- [ ] Don’t know

Section 1. Applicant Information

1. Last name, first name, middle initial
2. Gender
   - [ ] Male
   - [ ] Female
3. Home address (include apartment number)
   - City: ____________
   - State: ____________
   - Zip Code: ____________
4. Mailing address (if different)
   - City: ____________
   - State: ____________
   - Zip Code: ____________
5. Community / Facility name (i.e., nursing home, apartment complex)
6. County
7. Telephone number (include area code)
   - [ ] Voice
   - [ ] VP
   - [ ] TTY
8. Cell phone number (include area code)
   - [ ] Voice
   - [ ] VP
   - [ ] TTY
9. Email address

Section 2. Profile

1. Financial information (required):
   - Family size: 
   - Monthly income: $ ____________
   - Annual income: $ ____________
2. Disability (required for eligibility)
   - [ ] Deaf
   - [ ] Deaf-Blind
   - [ ] Hard of Hearing
   - [ ] Late-Deafened
3. In addition to hearing loss or speech disability:
   - a. Do you have low vision?  
     - [ ] Yes
     - [ ] No
   - b. Are you blind?  
     - [ ] Yes
     - [ ] No
   - c. Do you have limited mobility?  
     - [ ] Yes
     - [ ] No
4. Communication preferences
   - a. Sign language:
     - [ ] ASL
     - [ ] PSE
     - [ ] SEE
     - [ ] Tactile
   - b. Spoken:
     - [ ] Speaking
     - [ ] Lip reading
   - c. Writing
     - [ ]
   - d. Other:
     - ____________
   - e. What language do you speak?
     - [ ] English
     - [ ] Other: ____________
   - f. Do you need an interpreter?  
     - [ ] Yes
     - [ ] No
5. Are you of Hispanic origin?  
   - [ ] Yes
   - [ ] No

The Spanish / Hispanic / Latino question is about ethnicity, not race. Please continue to answer the following question by marking one or more boxes to indicate what you consider your race to be (check all that apply):
- [ ] White
- [ ] American Indian or Alaskan Native
- [ ] Native Hawaiian or Pacific Islander
- [ ] Black or African American
- [ ] Asian
- [ ] Other race
### Section 3. Equipment Selection

1. **Basic Emergency Alert Kit.**
   - Standard EAD Kit contains: Master unit with alarm clock and landline phone notification, wireless doorbell button, vibration disc, Smoke / CO Transmitter, and Smoke / CO Detector

2. **When funding is available, optional accessories to the EAD Kit may be provided.** The following optional devices are compatible with the Standard EAD kit:
   - Baby Cry Sound Signaler
   - Pager vibrating receiver
   - Smartphone Bluetooth Transmitter

By signing Section 4. below, you authorize ODHH to provide your name, mailing address, and contact information to the contracted vendor for the purpose of shipping equipment and providing warranty services.

### Section 4. Client Signature

I certify (or declare) under penalty of perjury under the laws of the State of Washington that information on this form is true and correct.
