AAA Systems Access Request Instructions

Please submit requests individually.

The AAA DSHS / HCA Systems Access Request form is for use by AAA entities from outside and within the DSHS domain (DSHS firewall). AAA entities have different procedures to request the majority of their needed system access but will use the form for those systems requiring a set up or approval by HCS, DDA, or MSD. AAA entities will also use this form when staff transfer between agencies or to terminate access when employees leave employment.

**Request Type**

- Check one of the options (New, Update, Remove, or Name change). **Removal must be submitted within five (5) days of exit.**
  - New user – The user has been approved for access to one of the programs listed and has no previous requests submitted.
  - Update user – User has access to one or more of the systems listed but an additional access is needed. Only mark the box next to the additional item.
  - Remove user – Mark each of the boxes for which access is to be removed.
  - Change user name – Use to update the user name due to a change. For ProviderOne this will result in the termination of the prior account and a new account created.

**Requesting Organization and Mailing Address**

- Enter the user’s office name and address (subcontractors enter their organization name and address).

**System Access Requested Sections**

- Check the box next to each system requested and attach any additional documentation required for the program. If you need a copy of the VPN form, please contact ALTSA.
  - ALTSA Data Mart. Access is specific to each data source. If both data sources are needed, both boxes must be selected.
  - Applications in the AAA section (Barcode, DDA / HCS Reporting, CARE, QA Monitor) are created at the AAA office. A signed copy of the 17-226 form must be submitted to hcsaarequest@dshs.wa.gov via secured email before the account(s) can be created.
    - **Note:** The PRISM and Client Registry boxes should be checked if the new staff member will be eligible for access. An extra step of user and ethics training will be required for all PRISM and Client Registry users and must be completed prior to system access.
  - Barcode field can be one of the following options: All Case Managers, CM Supervisor, Clerical, Clerical Supervisor, Intern, Admin Hearing Coordinator, Barcode Specialist, CM JRP or AAA IT.
  - ACD – Contracts Database can be one of the following options: 4 – Sign Contracts; 5 – Create Contracts; or 9 – Approve Contracts.

**AAA User Information**

- Enter the user information as indicated. DATE OF BIRTH (DOB) is only required when selecting ProviderOne – for all other applications it should be blank. Forms with DoB submitted by Colville, King, Kitsap, Pierce, Snohomish, and Yakama should be submitted using secure email or secure file transfer.
- The AAA Authorizer will assign an ID number from the list provided by the ALTSA SUA Coordinator.
  - Form will be rejected if this field is left blank.
- Under AAA Office enter the AAA Authorizer’s regional office.

**Access Justification**

- Enter reason access is needed such as Case Management and Coordination, Nursing Coordination, Oversight and Supervision, Determination of Eligibility.

**Authorizing Signature**

- AAA Authorizer – the authorizer will be verified by the ALTSA SUA Coordinator.
  - **Note:** AAA Authorizer signature guarantees that the staff member who is asking for access is eligible for the systems access requested.

**Non-Disclosure of Confidential Information**

- Ensure that the AAA staff member has read the AAA User Agreement on System Usage and Non-disclosure of Confidential Information on the second page of the AAA Systems Access Request form.
- Enter the requesting user’s name and have them sign and date the agreement.

Once completed, scan both sides of the form and email to hcsaarequest@dshs.wa.gov using secure email. Do not email forms directly to ALTSA Helpdesk or ALTSA Helpdesk staff.
Why was my form rejected?

- Missing information:
  - The Employee ID field is left blank
  - HCA will reject forms missing a birthdate
  - Barcode or ACD profile selection is missing

- Incorrect information:
  - Email address is invalid (e.g. emailing credentials results in a bounce-back or is an Outlook.com, Gmail, etc. address)
  - Employee ID is already in use – check your spreadsheet and ensure the EID hasn’t been used before

- Form is not signed.
  - Ensure both the AAA Authorizer and AAA User have signed in the appropriate fields

- VPN request form is missing from the request.
