This manual provides instructions on how to manage your testing and credential profile as a test candidate, a DSHS certified interpreter or translator, or a DSHS bilingual employee on the LTC Gateway platform. It illustrates user functions step-by-step with screenshots.

If you are an employee of DSHS or other state agencies, some sections may not apply to you. These include scheduling a test (Section 4.4.1), orientation (Section 4.5), and renewals (Section 4.7). Please contact LTC or the office in charge of employee testing in your agency if you have any questions.

Please note that some of the screenshots in this manual may be slightly different from what they look like on the real site, but the functions outlined here are mostly the same as what you will find in Gateway.

There may be occasions when it takes some time for a page to load properly in Gateway. If this happens, please be patient and wait for a few seconds. If the problem persists, you can change to a different browser and try again. For best experience, please use Google Chrome or Microsoft Edge. Internet Explorer is not fully supported.

This manual will be revised based on user feedback and tech updates. Please check the [LTC website](#) or [Gateway homepage](#) for the latest version.

IMPORTANT:

If you encounter issues accessing Gateway, please contact DSHS LTC directly by Email: [<dshsct@dshs.wa.gov>](mailto:dshsct@dshs.wa.gov). We recommend you read this manual first before writing to LTC. If you do need help, LTC is always your first point of contact. **Do not submit a help ticket to Secure Access Washington (SAW)** unless an issue is directly related to your SAW account.

1. Set up your SAW account

You need to have a SAW (Secure Access Washington) account in order to access LTC Gateway. If you don't have one yet, you can sign up by following the instructions below. Note: A link to SAW is also available on the LTC Gateway homepage at <https://fortress.wa.gov/dshs/ltcgateway/>. Click the hyperlink “Secure Access Washington (SAW)”, and you will be taken to the SAW website.

You will land on the [Candidate Details](#) tab by default after entering Gateway.

Note: The [Renewals](#) and [Events](#) tabs are optional. The [Renewals](#) tab is only visible if you have a credential; the [Events](#) tab is only shown if LTC has posted a certain event or action on your credential(s).

The screenshot shows the Gateway profile page for a candidate. At the top, there is a header with "LTC (QA)", "CE Activities", and a search bar. Below the header, the candidate's ID and name are displayed. A navigation bar contains several tabs: "Candidate Details", "Addresses", "Emails", "Tests", "Orientation", "Credentials", "Renewals", and "Events". The "Renewals" and "Events" tabs are highlighted with orange circles. Below the navigation bar, there is a "Candidate Details" section with various input fields and checkboxes. 4. Accessing LTC services in Gateway

After you enter LTC Gateway, you will see the relevant information on your profile. In the top left are your Candidate ID and Candidate Name. On the line below are listed eight tabs: [Candidate Details](#), [Addresses](#), [Emails](#), [Tests](#), [Orientation](#), [Credentials](#), [Renewals](#) (optional), and [Events](#) (optional), from left to right. The first three tabs contain your personal information. You can manage and update them on you own. The other four tabs concern your tests and credentials. The [Renewals](#) and [Events](#) tabs are optional. The [Renewals](#) tab is only visible if you have a credential, and the [Events](#) tab is only shown if LTC has posted a certain event or action on your credential(s).

- Personal information: Candidate Details, Addresses, Emails
- Tests & credential information: Tests, Orientation, Credentials, Renewals (optional), Events (optional)

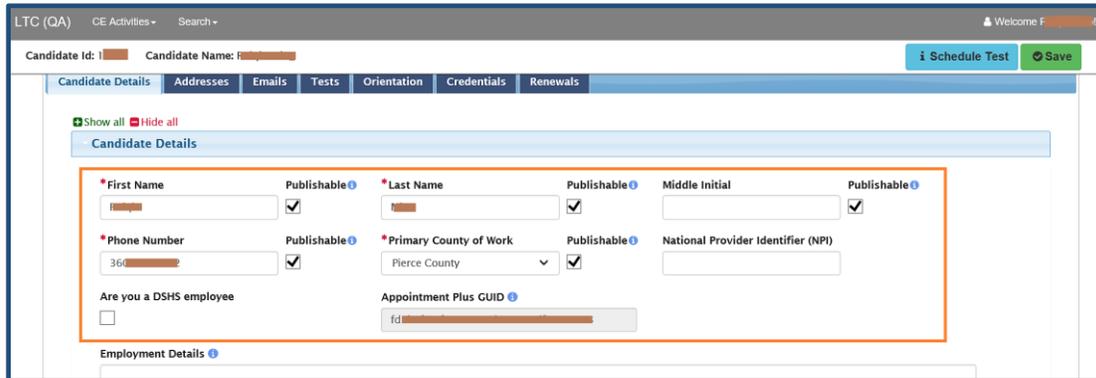

The screenshot shows the LTC Gateway interface. At the top, there is a navigation bar with 'LTC (QA)', 'CE Activities', and a search bar. Below this, the candidate's ID and name are displayed. A 'Schedule Test' button and a 'Save' button are visible. A horizontal menu contains eight tabs: 'Candidate Details', 'Addresses', 'Emails', 'Tests', 'Orientation', 'Credentials', 'Renewals', and 'Events'. The 'Renewals' and 'Events' tabs are highlighted with a green oval. Below the tabs, there is a 'Show all' and 'Hide all' toggle. The 'Candidate Details' section is expanded, showing a form with the following fields: 'First Name' (with a 'Publishable' checkbox checked), 'Last Name' (with a 'Publishable' checkbox checked), 'Middle Initial' (with a 'Publishable' checkbox checked), 'Phone Number' (with a 'Publishable' checkbox checked), 'Primary County of Work' (a dropdown menu set to 'Pierce County' with a 'Publishable' checkbox checked), 'National Provider Identifier (NPI)', 'Are you a DSHS employee' (checkbox), and 'Appointment Plus GUID' (with a 'Publishable' checkbox checked). There is also an 'Employment Details' link at the bottom.

You can access a variety of functions on your profile: updating name and contact information, viewing test and credential records, downloading score reports and certificates, completing orientation trainings, and managing your continuing education credits, among others. (Note: The download option is not available for documents such as score reports and certificates issued prior to November 2020.)

The 'First Name' field is highlighted with a red asterisk, indicating it is required. A tooltip for the 'Publishable' checkbox indicates that checked information is visible in search results. The 'Save' button is highlighted in green in the top right corner.

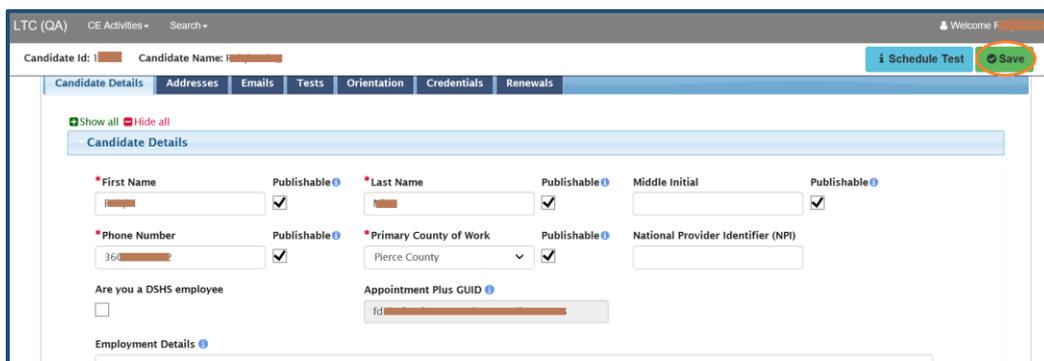

Note: You can choose to have some information as publishable or not publishable by checking or unchecking the “Publishable” box. Publishable information will show up in the search results on the “Find an Interpreter or Translator” platform.

- (2) The symbol with a lower case “i” in a blue circle (i) indicates that a hint or tool tip is available. To view the full hint message, move your mouse to the symbol and pause until you finish reading.

This close-up view of the 'Candidate Details' form shows a tooltip for the 'Publishable' checkbox. The tooltip text reads: 'Tooltip: Indicates whether your first name is viewable by the public'. The 'Publishable' checkbox for the 'First Name' field is checked, and the tooltip is displayed over it. Other fields like 'Last Name', 'Phone Number', and 'Primary County of Work' are also visible with their respective 'Publishable' checkboxes checked.

4.5 Orientation

If you pass the required test(s) for a certain credential, you need to complete the corresponding orientation trainings in order to be fully certified. You can access the links to the orientation videos and quizzes on the “Orientation” tab. (Note: This section does not apply to DSHS employees who have passed a Cluster test. Employees of other state agencies should contact the office in charge of employee testing and credentials in your agency for details regarding credential requirements.)

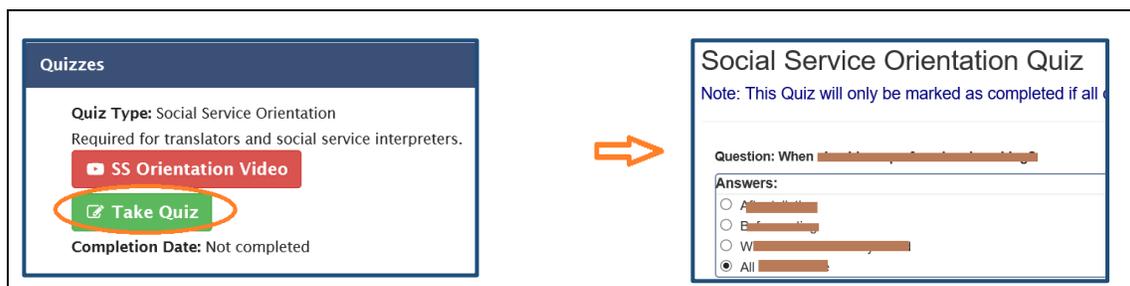

If an orientation is available to you, or you are eligible to take it, the “Take Quiz” button for it will be active (shown on a bright green background). If you are not qualified to take an orientation, the “Take Quiz” button will be inactive (shown on a somewhat shaded green background).

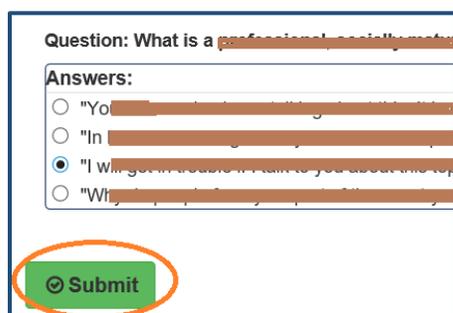

- (1) Click the red button to access the website of an orientation video. The SS (Social Service) Orientation Video is shown as an example below.

(2) After you finish watching the video, close the page. Go back to your “Orientation” tab. Click the “Take Quiz” button to open the quiz link.

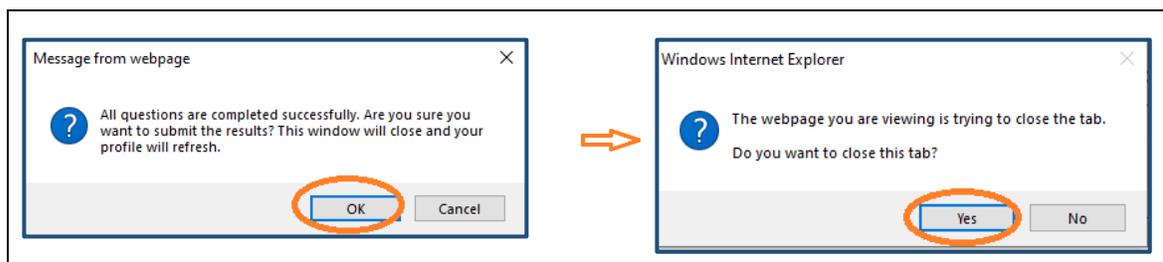

(3) Once you complete the quiz, tap on “Submit” at the bottom.

(4) Click “OK” and “Yes” respectively on the two confirmation messages that pop up.

(5) Back on your “Orientation” tab in Gateway, the completion date for this quiz will change from “Not completed” to the date when you take and submit the quiz. This date will appear below the “Take Quiz” button of the completed orientation.

The screenshot shows the 'Candidate Details' section of a web application. At the top, there is a header with 'LTC (QA)', 'CE Activities', and a search bar. Below the header, the 'Candidate Id: 10' is highlighted with a red circle, followed by a redacted 'Candidate Name'. A navigation bar contains tabs for 'Candidate Details', 'Addresses', 'Emails', 'Tests', 'Orientation', 'Credentials', 'Renewals', and 'Events'. The 'Candidate Details' tab is active, showing a 'Show all' / 'Hide all' toggle. The details are organized into two rows of fields, each with a 'Publishable' checkbox:

Field	Publishable	Field	Publishable	Field	Publishable

4.7 Renewals

Your credential is valid for four years. By the end of the term, you will need to have fulfilled all renewal requirements. If you fail to do so, your credential will expire, and you will have to take the tests again if you wish to continue to work as a DSHS certified interpreter or translator. (Note: DSHS employees must follow agency policy to use and maintain their credential. Employees of other state agencies should contact the office in charge of employee testing and credentials in your agency for details regarding credential requirements.)

The renewal requirements and the frequency of submission are summarized below.

Name	Frequency/Credits	Method of Submission
Code of Conduct Acknowledgement	Once per cycle	Online in Gateway
Background Check Attestation Form	Once per cycle	Online in Gateway
CE Ethics Credits (Annual Ethics Credits)	4 per cycle (1 per anniversary year)	Online in Gateway (access links to training video and quiz, or upload Certificates of Completion from outside providers)
CE General Credits	16 per cycle	Online in Gateway (upload Certificates of Completion)

You can view your renewal status on the “[Renewals](#)” tab in Gateway. The page shows whether you have completed acknowledgement of Code of Conduct and attestation form of Background Check, whether you have completed the CE (Continuing Education) ethics training, and how many CE credits you have earned. You can also export a list of DSHS approved CE activities and submit CE credits here.

The screenshot shows the 'Renewals' tab in the Gateway system. At the top, there are navigation tabs: Candidate Details, Addresses, Emails, Tests, Orientation, Credentials, and Renewals (highlighted). Below the tabs, there is a 'Renewals' section with a green '+ Add CE Activity' button. Three items are listed with their completion status:

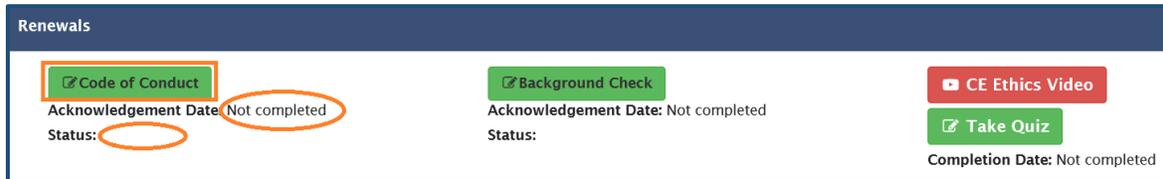

- Code of Conduct:** Acknowledgement Date: Not completed, Status: (empty)
- Background Check:** Acknowledgement Date: Not completed, Status: (empty)
- CE Ethics Video:** Completion Date: Not completed. Below it is a 'Take Quiz' button.

Below these items, there is a message: 'To see approved activities for your credentials, go to the Credentials tab and click on the 'View Applicable Approved CE Activities' action.' Below this is an 'Export all CE Activities as:' section with options for PDF, Word, and Excel. A table is displayed with the following columns: Activity Date, Activity Type, Approval Number, Title of Activity, Ethics Credits, General Credits, Status, Actions, and Attachments. The table is currently empty, with the text 'There are no items to display' and 'Total Records: 0'. At the bottom, there are two lines of status information: 'Pending General Credits: 0; Pending Ethics Credits: 0' and 'Approved General Credits: 0; Approved Ethics Credits: 0'.

4.7.1 Code of conduct

You need to submit an acknowledgement of Code of Conduct once in every cycle of your credential term (4 years). You can access this document on the “Renewals” tab.

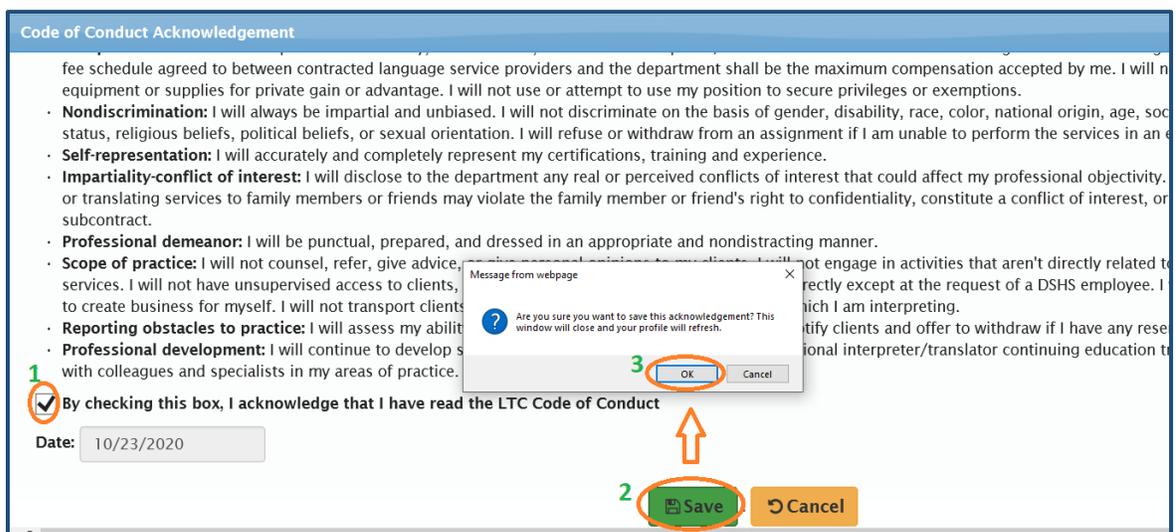

- (1) Check the status of this requirement below the green button “Code of Conduct”. If you haven’t submitted the acknowledge, the Acknowledge Date will be shown as “Not Completed”, and the Status column will be blank.

- (2) Tap on “Code of Conduct”.

- (3) On the “Code of Conduct Acknowledge” page, read the document, check the acknowledge box (see 1 below), press “Save” at the bottom (see 2), and then click “OK” on the pop-up to confirm (see 3).

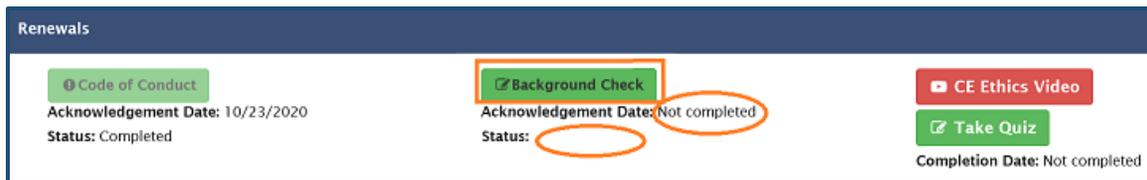

(4) On your Gateway profile, the Acknowledgement Date will be listed, and the Status will change to “Completed”.

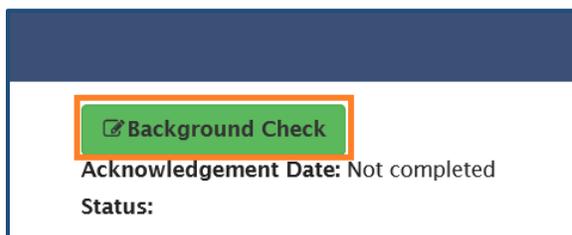

4.7.2 Background check

Same as Code of Conduct, the Background Check Attestation Form needs to be submitted once in every cycle of your credential term (4 years). You can access the form on the “Renewals” tab too.

(1) Check the status of this requirement below the green button “Background Check”. If you haven’t submitted the form, the Acknowledgement Date will be shown as “Not Completed”, and the Status column will be blank.

(2) Tap on “Background Check”.

- (3) On the “LTC Background Check Attestation Form” page, read the document, check the boxes that apply to you (see 1 below), press “Save” at the bottom (see 2), and then click “OK” on the pop-up to confirm (see 3).

The screenshot shows the "Background Check Acknowledgement" window titled "LTC Background Check Attestation Form". It contains three numbered checkboxes: 1) checked, 2) unchecked, and 3) checked. A date field shows "10/23/2020". At the bottom are "Save" and "Cancel" buttons. A "Message from webpage" pop-up is open, asking "Are you sure you want to save this acknowledgement? This window will close and your profile will refresh." with "OK" and "Cancel" buttons. Red circles and arrows highlight the "Save" button (2) and the "OK" button (3).

Please note that you will need to check whichever of the first two boxes that applies to you AND the third one in order to save the form. Otherwise, two red error messages will display. Follow the instructions, correct the errors, and click “Save” again.

The screenshot shows the "Background Check Acknowledgement" window with two red error messages. The first message says "Please correct the errors below and save again" and is positioned above the checkboxes. The second message says "At least one of the first two checkboxes AND the third checkbox must be selected in order to save form" and is positioned below the checkboxes. The checkboxes are: 1) checked, 2) unchecked, and 3) checked. The date field shows "10/23/2020". The "Save" and "Cancel" buttons are at the bottom.

- (4) On your Gateway profile, the Acknowledgement Date will be listed, and the Status will change to “Completed”.

The screenshot shows a section of a Gateway profile titled "Background Check". It displays "Acknowledgement Date: 10/23/2020" and "Status: Completed". Red circles highlight the date and the status.

4.7.3 CE Ethics

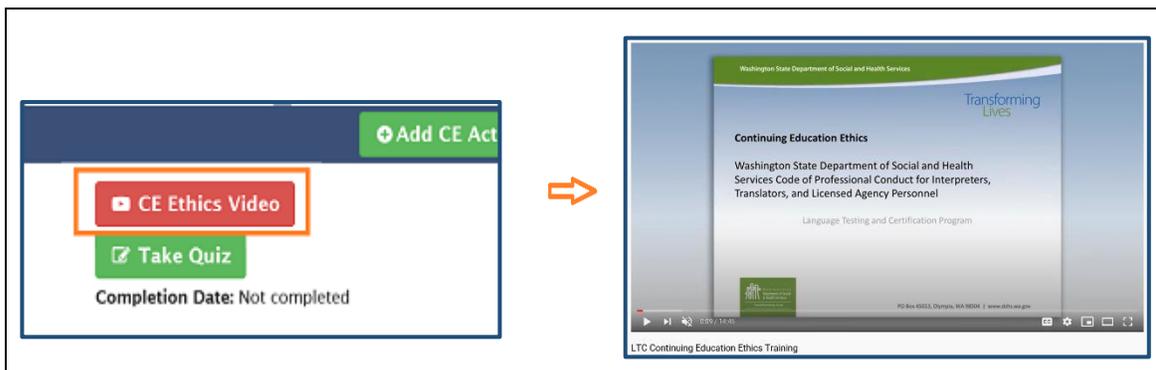

You are required to complete four (4) CE Ethics Credits during a certification cycle (4 years). After November 2020, the method of calculating the due dates of Ethics Credits has changed. These credits are no longer submitted based on calendar year, but rather based on the **anniversary year** of your credential. For example, if a certificate term starts on 5/1/2019 (expires 5/1/2023), the first CE Ethics Credit will be due before 5/1/2020, the second one before 5/1/2021, the third one before 5/1/2022, and the fourth one before 5/1/2023.

You can access the CE Ethics video and quiz from your “Renewals” tab. After you complete the quiz, the ethics credit will be automatically added to your profile.

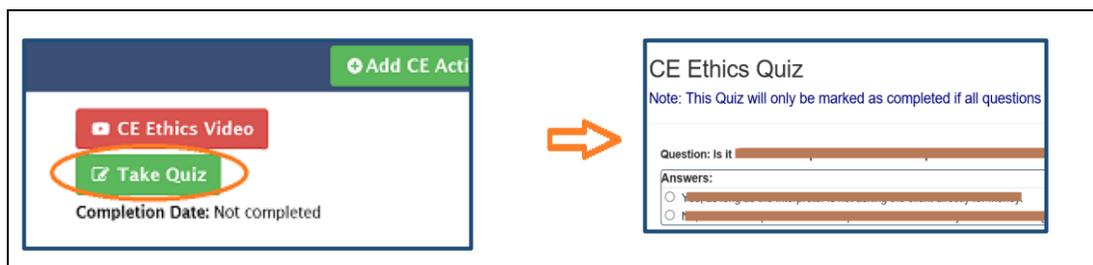

- (1) Check the status of the CE Ethics quiz below the red button “CE Ethics Video”. If you haven’t completed the video and quiz yet in the current anniversary cycle or year, the Completion Date will be shown as “Not Completed”.

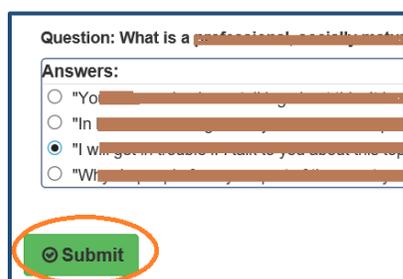

- (2) Tap on “CE Ethics Video” to access the website of the CE Ethics training video.

(3) After you finish watching the video, close the page. Go back to your “Renewals” tab in Gateway. Click the “Take Quiz” button to open the quiz link.

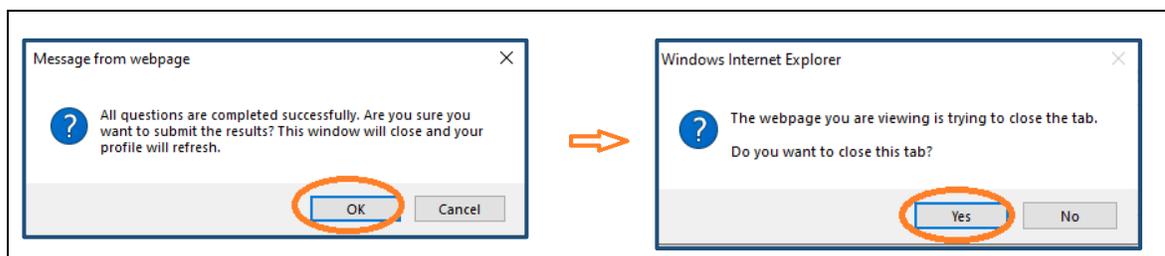

(4) Once you complete the quiz, click “Submit” at the bottom.

Note: You will need to have answered all questions correctly before you can successfully submit. If there is any wrong answer, you will be prompted to do that question again.

(5) Click “OK” and “Yes” respectively on the two confirmation messages that pop up.

(6) The Completion Date will change from “Not completed” to the date when you take and submit the quiz.

(7) The one Ethics Credit you have earned will be listed on your “Renewals” tab.

5. Reminders and tips

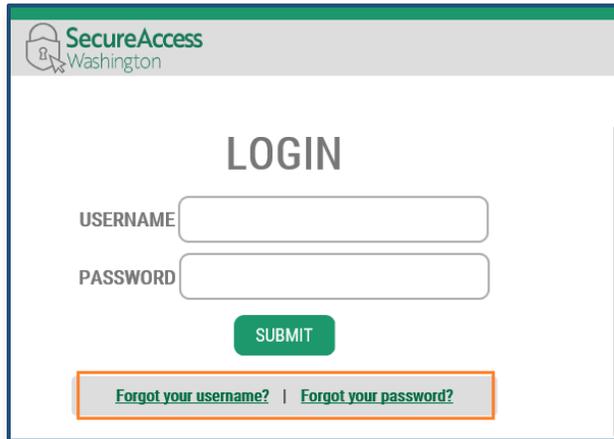

Here are some reminders and tips that can facilitate your access to Gateway.

- (1) Be sure to fill in your **First Name AND Last Name** when creating your SAW account. Otherwise, Gateway will categorize your SAW information as invalid, which may block you from accessing it.

You can check whether your account was set up correctly in SAW: After signing in, go to “Home” and then “Account”. If you have filled in both First and Last Name, there will be a space between them on the “Account” page. If needed, you can update your name there.

- (2) Write down your registration Email, user name and password for your SAW account, so you can easily find them when needed. If you forget username or password, you can retrieve them on the homepage by clicking “[Forgot your username?](#)” or “[Forgot your password?](#)”

- (3) If you have two or more SAW accounts, make sure you log into the one that you used to create your Gateway candidate access request. Otherwise, you may see an error message that says “Approved Candidate Access Request but no matched Candidate Profile.”

- (4) The language of your browser OS (operating system) should be in English in order to access Gateway. If it is a non-English language, you may get an error message similar to the following (with Spanish as an example). Changing your browser language to English will solve the problem.

- (5) You must sign into Gateway in order to submit CE credits. If you do not sign in, you can search for CE activities on the Gateway homepage, but you will not be able to submit CE credits.
- (6) There is no “Log Out” button on Gateway. Just close the webpage after you are done, and you will sign out of Gateway and SAW automatically.
- (7) If you encounter an error at any point, try a different browser.
- (8) Do not submit a ticket to Secure Access Washington (SAW) unless you encounter a problem directly related to your SAW account. For help with Gateway and all inquiries about testing, CE activities and credits, credentials, and renewals, please **contact LTC** directly. It is always advisable to Email LTC first before you reach out to SAW.

6. LTC customer support

For questions and assistance, please contact DSHS LTC: <dshsct@dshs.wa.gov>.

Please read the User Manual first before contacting LTC. When you write to us, please always use the **primary Email** on your Gateway profile and include **Candidate ID** and **Candidate Name** in your message. If you encounter technical issues, please provide a screenshot whenever possible. This will help us identify and solve the problem faster.
