Navigation links include "Login", "Create Account", and "About This Site". Language options for "English" and "Español" are available. A "Welcome" section states that the site offers a fast and easy way to apply for public benefits. A list of services includes Food, Cash, Child Care, Long-Term Care, Medicare Savings Programs, and Medical assistance. A "See If I Qualify" button is prominent. Below it, a "You can visit Washington Healthplanfinder" link is provided. Three main action buttons are shown: "See If I Qualify", "Apply Now", and "Find Services". A sidebar on the left lists various actions like "See if I qualify", "Apply Now", "Renew my annual benefits", etc. A video player on the right shows a woman speaking, with a callout explaining that users can access services online through the website.
