In addition to BFET, you may be eligible for Employment Pipeline services

The Employment Pipeline is an Employment and Training program within the Community Service Division of DSHS. The program assists job seeking individuals who are receiving any DSHS services, in finding and retaining gainful employment. The Pipeline program is voluntary and located within various counties in Washington State. The program employs Employment Pipeline Navigators who assist job seekers in navigating the workforce system to find employment. Navigators also provide information about employment and training opportunities, as well as assisting participants within the program who may have barriers that need addressing prior to finding employment. For more information about the Employment Pipeline send an email to the contact address below.
