Is there online support for *Washington Connection* navigation problems?

- Users can learn how to navigate *Washington Connection* by viewing the **Navigation Tutorial** located on the *Washington Connection Welcome* page.
- Additional tutorials are available under the **About This Site** tab, under **Online Tutorials**.
- You can send an email by clicking on the **Contact Us** link located on the bottom banner of *Washington Connection* to report system issues or broken links.

Will I need to create a SecureAccess Washington, or SAW, account?

- If you want to complete an application, review, or submit a change you do not need a SAW account. You can use the links on the *Washington Connection* home page to submit the forms without an account.
- If you would like the ability to save unfinished forms to complete later, then a SAW account is needed.
- If you are interested in creating a Client Benefit Account to access your DSHS benefit information online, then creating a SAW account is the first step.

What is the *Washington Connection* Client Benefit Account, or CBA, and why create one?

- Head of Households that receive benefits from DSHS Community Services Division and Home and Community Services can create a Client Benefit Account to access benefit information and pre-filled forms online.
- The CBA provides:
 - a listing of the client's current and historical benefits up to three months
 - 90-day view of documents submitted and their status
 - important dates – including Eligibility Review and Mid-Certification Review due dates
 - child care co-pay information
 - access to the pre-filled Mid-Certification Review form

- The CBA does NOT:
 - provide access to official letters sent to you by DSHS
 - If you need a copy of a letter previously sent to you by DSHS, call the Customer Service Contact Center at 877-501-2233
 - allow you to submit verification documents online. You can turn in verification documents by mail, fax or drop off at your local office
 - Mail:** DSHS Customer Service Center, PO Box 11699, Tacoma, WA 98411-9905
 - Fax:** 888-338-7410

Please include your name and Client ID number or last four digits of your Social Security Number on each page.

What are the requirements to register for a CBA on *Washington Connection*?

- Creating a CBA account requires you to:
 - Have a SecureAccess Washington, or SAW, account
 - To create a SAW account, click on the **Create New Account** button in the **Create Account** tab and follow the instructions
 - Once the SAW account has been created and activated, follow the instructions below to create a CBA
 - Have a DSHS Client ID
 - Be listed as the head of household for an active, pending, suspended or pending spenddown medical program or listed as the head of household for a closed or denied DSHS program within the last 60 days
 - Have the head of household's social security number be federally verified by a system cross-match
 - Use the same information that is currently on file with the local Community Service Office or Home and Community Services Office (name and residential zip code)
- The system does not currently support creating a CBA in the following situations:
 - You are not the head of household for an active, pending, suspended or pending medical spenddown assistance unit
 - Your social security number has not been federally verified by a system cross-match
 - Your household's benefits have been closed or denied for more than 60 days
