Welcome to Washington Electronic Benefits Transfer (EBT) and the Washington Quest EBT Card — the safe, convenient and easy way to use your benefits.

If you qualify for basic food benefits, you can use your Washington Quest EBT Card to buy eligible food items at any participating store including those that offer online purchasing.

If you qualify for cash benefits, you can use your Washington Quest EBT Card to get cash or pay for purchases at participating stores and withdraw your benefits at ATMs.

It’s so simple!

HOW TO USE YOUR WASHINGTON QUEST EBT CARD AT THE STORE

1. Know your balance before you go shopping by visiting www.ebtedge.com or call Customer Service.
2. Swipe your Washington Quest EBT Card through the Point-Of-Sale (POS) terminal OR hand your card to the clerk/cashier.
3. Be sure to tell the clerk which account to charge (food or cash).
4. Enter your four-digit Personal Identification Number (PIN) on the keypad. The terminal will show ****.
5. Press the OK or ENTER key.
6. The clerk enters the purchase amount and, if it is correct, you press the YES key.
7. The clerk will hand you your receipt. Make sure the information on the receipt is correct.
8. Keep this receipt so you will know your new balance the next time you shop.

The steps may be different for each type of POS machine or checkout system you use. Ask the clerk if you need help.

Only the exact amount of your food purchase is deducted from your food benefit account. Stores will not give you change for food benefits purchases.

You may use your cash benefits at stores to make a cash-only withdrawal or to purchase both food and non-food items (soap, diapers, etc.). Stores may also provide cash back when you make a purchase from your cash account. If you have any questions, ask the clerk.

When do I get my benefits?
Benefits will be deposited into your EBT account on the same day each month, even if it falls on a weekend or holiday. All benefits are available by 9 a.m. Pacific time. Any benefits you have left over at the end of the month will be carried over to the next month.

Where can I use my Washington Quest EBT Card?
You can use your Washington Quest EBT Card at participating stores and ATMs (for cash benefits only) across the country. You can also use your card wherever you see the Quest logo. If you do not see the Quest logo, ask the store manager if you can use your card in the store to buy food or get cash benefits.

What should I do if I lose my card?
If your Washington Quest EBT Card is lost, stolen, or damaged, you should call Customer Service immediately, toll free at 1-888-328-9271 to have it deactivated and a replacement card mailed to you.

What is my card number?
Your card number is the 16-digit number printed on the card.

What if I forget my PIN?
If you forget your PIN or want to change your PIN, you can call Customer Service.

What if I enter the wrong PIN?
If you enter the wrong PIN, you have three more chances to enter the correct number. If the correct PIN isn't entered by the fourth try, the card will be locked to protect your account. You won't be able to use the card again until after midnight, unless you go into the local DSHS Community Services Office (CSO) to cancel the transaction if you don't want to pay the surcharge.

If you enter the correct PIN, your card will be unlocked. If you enter the correct PIN more than four times, your card will be locked and must be replaced.

How will I know my account balance?
The easiest way to know your account balance is to keep your receipts. If you don’t have your receipts you may check your balance at www.ebtedge.com or the ebtEDGE mobile app.

What is a Personal Identification Number?
A PIN is a four-digit secret number that allows only you to use your Washington Quest EBT Card. An EBT card won’t work without a PIN.

Never tell your PIN to anyone! If someone knows your PIN, they can use your card to get ALL of your benefits and those benefits won’t be replaced.

How do I select a PIN?
You can select your four-digit PIN by calling Customer Service or in person at your local DSHS Community Service Office (CSO). Don’t use an easy to guess PIN such as “1234,” “0000” or any easy to guess pattern.

What should I do if someone finds out my PIN?
Immediately select a new PIN by calling Customer Service, or by changing your PIN online at www.ebtedge.com or the ebtEDGE mobile app.

How do I get my benefits with the Washington Quest EBT Card?
Each month your benefits will automatically be added to your account. You will use the same Washington Quest EBT Card every month to get your benefits. As you use your benefits to get cash or buy goods, your account balance will decrease. There is no need to replace your card unless it is lost, stolen or damaged.

How do I take care of my card?
1. Sign the back of your card.
2. Don’t write your PIN on your card.
3. Keep your card safe and clean.
4. Don’t bend your card.

5. Keep your card away from magnets and electronic equipment, such as TVI, microwaves, etc.

6. Don’t place it in direct sunlight, such as on your car’s dashboard.

7. Don’t throw your card away; you use the same card every month as long as you receive benefits.

8. Excessive card replacements may be subject to investigation for fraudulent use.

What happens if the Point of Sale (POS) machine is not working?
If you want to purchase eligible food items with your food benefits, and the POS machine isn’t working or there isn’t one at the store, the cashier will fill out a paper form called a food benefit voucher. The cashier will write in your Washington Quest EBT Card number and the amount you are spending. DON’T give the cashier your PIN. The cashier will call to see if you have enough benefits in your food benefit account to buy the food; they will not check your cash benefit account. If there is enough in your food benefit account, you will be asked to sign the voucher, and you will be given a copy of it. It is very important to keep this copy so you can subtract what you spent from the balance shown on your last EBT receipt. This will give you the current amount on your account. The store cannot process a manual voucher for cash benefits.

Can I go to a bank teller and withdraw money or inquire about my EBT account?
No, you may only withdraw cash from an ATM or through a POS machine that offers cash back at a participating store. If you have questions about your cash or food benefit accounts, call Customer Service.

If I have less than $10 worth of cash benefits on my Washington Quest EBT Card, how will I get it out?
You can make a POS machine purchase or a cash back transaction at participating stores to get these funds.

Are there any transaction fees or surcharges for using my Washington Quest EBT Card?
There is never a transaction fee for using your food benefits to buy food with your Washington Quest EBT Card. There is also never a transaction fee for using your cash benefits to buy food or get cash at a POS machine.

There can be a surcharge. A surcharge is an additional fee charged by the owner of an ATM or POS machine for using that machine to make a cash withdrawal. Surcharges, if any, will also be taken from your cash account automatically. If you don’t want to pay the surcharge, simply cancel your transaction and go to another ATM or POS location that does not charge a surcharge.

Are there any restrictions on how I use my EBT cash benefits?
It is against the law to use an EBT card or cash from an EBT card at taverns, bars, liquor stores, bail bond agencies, adult entertainment venues, and any establishments where minors are prohibited, to gamble, get a tattoo or body piercing, or to purchase tobacco, marijuana or marijuana-based products.

What happens if I do not use my benefits?
Benefits not used during the issuance month will carry over to the next month. If you do not use at least some of your benefits within 274 days, the benefits will be cancelled. In some cases, these benefits will not be replaced.

Can I deposit money into my EBT account?
No. You may only withdraw money from your cash account.

What is Direct Deposit?
Instead of using EBT, you may choose to have your cash benefits deposited every month directly into your personal bank account. You cannot use direct deposit for food benefits. Contact DSHS for more information or call toll-free 888-235-2954.

What is an Alternate Cardholder?
You may choose a person, called an Alternate Cardholder, to access your benefits for you. The Alternate Cardholder must go to a local office to receive their own Washington Quest EBT Card and PIN. If you need an Alternate Cardholder, choose a person you trust. Remember, lost or stolen benefits will not be replaced. You can cancel an Alternate Cardholder’s card by calling Customer Service.
